[3392]

PART 1

1. That in every congregation the Session be urged to take a still deeper interest in the work of the Sabbath School and Young People's Society.

2. While never losing sight of the all-round development of the children and young people of our congregations, we strongly recommend that the emphasis be placed on the Spiritual side of the work.

3. Realizing that ignorance of the Scripture, and of the great doctrines of our Church, has in the past led to disastrous results in the life of the individual and of the Church, we recommend that in every Sabbath School very special attention be given to the memorization of Scripture and the Shorter Catechism.

4. That teachers and officers of every Sabbath School be urged to keep in view the prime object of all their work—the leading of the boys and girls to accept Jesus Christ as their Saviour, and to make a public profession of their faith by coming to the Lord's Table.

5. That in the programme for Young People's Societies, more attention be given to the study of the history, doctrine and polity of our Church.

[3394]

tions, the vows required by our Church of her Ministers, and when occasion requires, I am ready to take them again, and without any evasion, equivocation, or mental reservations.

"I believe in the inspiration of the Scriptures, that holy men of old spoke as they were moved by the Holy Ghost.

"I believe that Jesus Christ is the Eternal Son of God, equal with the Father. Believing that of Him, I believe in his miraculous entry into our human life, the virgin birth. I believe in His substitutionary sacrifice and atonement for sin, and that outside and apart from that sacrifice and atonement for sin there is no salvation. I believe in the empty tomb and the risen Saviour, which means in the language of the Confession, that He arose from the dead with the same body in which He suffered."

COMMITTEE ON PUBLIC WORSHIP

Dr. R. W. Dickie presented the following report of the Committee on Public Worship and Aids to Devotion, and upon his motion, duly seconded, the report was adopted.

To the Venerable the General Assembly:

Your Committee begs to report as follows:

During the past year we have had but one meeting and that without any expense to the Church. It did not seem to us that under the circumstances we could undertake any serious work. We think, however, that the time has now come when something of advantage might be undertaken.

We purpose, during the year, sending out a questionnaire to our ministers and sessions with a view to ascertaining as far as possible the actual practices in the conduct of worship and the administration of the sacraments in our congregations. With such information in our possession we purpose undertaking measures to bring the general practice of our Church into line with the great body of Presbyterian traditions in worship. We recognize, however, that Presbyterian practices in this respect must be voluntary and we have no thought of attempting to impose uniformity.

We purpose preparing and issuing in very inexpensive form a little manual of instruction for use in young communicants' classes.

We wish authority from the Assembly to prepare and print small pamphlets designed to help in promoting a deeper and more intelligent interest in the practices of our Church in the conduct of worship and administration of the sacraments.

We have considered the remit sent to us by the Assembly of 1925 concerning the advisability of making a change in our Book of Praise. We are unable to recommend any change, in the meantime, at any rate.

All of which is respectfully submitted.

R. W. DICKIE,

Convener.

STATEMENT *re* PRESBYTERIAN ALLIANCE

Dr. E. Scott presented the following statement regarding the meeting of the Alliance of the Churches holding the Reformed Faith, which met in Cardiff, in 1925. The statement was approved.

[3416]

WHEREAS the Minutes of Council of the World's Presbyterian Alliance, Cardiff, 1925, page 149, contains the following cablegram, sent by instruction of last Assembly.

Toronto, 17 June, 1925.

"Continuing Presbyterian Church in Canada sending Dr. A. J. MacGillivray to represent us at Cardiff; also Mr. J. G. Potter. Dr. MacGillivray commissioned to speak for Assembly and Church."

J. W. MacNamara,
Clerk of Assembly."

WHEREAS said Minute contains also the following statement: "The Business Committee regards this cablegram as in effect an application for admission to the Alliance, and in view of all the circumstances, recommends the Council to deal with it as such and cordially to admit and welcome this Church under whatever name may be formally decided by the proper authorities."

THEREFORE the General Assembly in this its first opportunity after the above meeting of the Council approves the following statement, with request for its insertion in the *Quarterly Register* of the Alliance.

This Assembly, as clearly shown by its telegram, did not make application for reception, as this Church, The Presbyterian Church in Canada, was already a member of the Alliance.

But, on June 10th, 1925, some members of this Assembly withdrew from this Church to enter the United Church of Canada, and among them were those who had been previously appointed to represent this Church in the Council at Cardiff.

As that meeting of Council was imminent, other Commissioners were at once appointed by the Assembly, and the cablegram was sent to Cardiff to announce their coming.

The Presbyterian Church in Canada is not a civil corporation. Its name is not a corporate name, which some power outside itself, gave or can take away. This Church is a free voluntary fellowship of Christians holding the Presbyterian System of Doctrine and Polity, and who have the free, sovereign right to choose their own name. They chose this name fifty years ago. This Church is still the same, holding the same Doctrine and Polity. It still retains its name, and its fifty years' unbroken membership in the World's Presbyterian Alliance, from which it has never at any time withdrawn.

Dr. Scott moved, seconded by Mr. S. C. Parker, that a copy of this statement be sent to the *Quarterly Register*, and this was approved.

JUDICIAL COMMITTEE

Judge A. Farrell presented the report of the Judicial Committee as follows:

Your Judicial Committee to whom was referred the Overture of Moose Jaw Presbytery *re* Solemnization of Marriage, recommend that this matter

Upon motion, duly seconded, the report was adopted.

HISTORICAL COMMITTEE

Mr. A. L. Budge presented the following recommendations of the Historical Committee, and moved that they be received and considered *seriatim*. This was agreed. The recommendations were then read and approved.

The report as a whole was then adopted, upon motion, duly seconded.

RECOMMENDATIONS OF THE HISTORICAL COMMITTEE

1. The Assembly urges upon all Synods, Presbyteries and Sessions the duty of beginning and completing the organization of their Historical Committees.
2. That a survey be made forthwith by these Committees in order to have a complete record of the number of congregations and Church courts which have lost their records by the action of the union party.
3. That such Historical Committees give attention to the results from claims made to have Session records and those of Presbyteries and Synods returned in terms of the decision of the last Assembly. *See Minutes, page 131.*
4. That ministers, elders and loyal Presbyterians everywhere provide means for collecting and preserving all documents, such as minutes, pamphlets, articles and letters in the press, that the most complete information might be available for a historian to write the story of this disruption.
5. That all treasures, such as historic pulpit Bibles, Communion vessels, tokens, photos of churches, of "elect" members, ministers and groups, be catalogued and placed in safe keeping.
6. That this Committee keep in close touch with the Committee on Publicity.

Having heard Dr. W. M. Rochester, the General Secretary of the Lord's Day Alliance of Canada, the Assembly resolves as follows:

In view of the vital relation between a well kept Sabbath and the general well being of the individual, the community, and the nation, and particularly from the standpoint of character and spiritual attainment, we urge upon all our members and adherents more careful consideration of their obligations and opportunities in the Christian Sabbath, reaffirming with emphasis our conviction that the early command.

"Remember the Sabbath day to keep it Holy," is now as timely as ever, and to it all should respond in ready and whole-hearted obedience.

That we record our hearty appreciation of the great national service rendered by the Lord's Day Alliance, and our sense of indebtedness as a Church to this organization in maintaining for our people their Sabbath

[3419]

liberty, and in safeguarding the opportunity which the day provides for the Christian Church to carry on its gracious mission.

That we deem it our duty and privilege to share in the financial support of the Lord's Day Alliance, and recommend that this year every congregation accept its responsibility in this particular, and by means of a special offering or contribution from its funds, aid in the support of this worthy cause.

METHOD OF APPOINTING STANDING COMMITTEES

Mr. E. G. Thomson moved the following resolution, seconded by Dr. A. L. Barr. This was adopted.

That Synods be instructed to prepare a list of men suitable to act on the various committees of the Church and submit them for the consideration of the Committee appointed to strike Standing Committees.

CHURCH ARCHITECTURE

Mr. S. C. Parker presented the report of the Committee on Church Architecture and moved its reception, and the consideration of the recommendations *seriatim*. The following recommendations were then adopted:

1. That the Assembly urge all congregations contemplating the erection of a Church to avail themselves of the services of the Committee on Architecture, and further instruct all Presbyteries to guide their congregations accordingly.
2. That the sum of \$500 be placed at the disposal of the Committee to acquire the necessary pictures and plans of churches such as are described in this report.

The report as a whole was then adopted upon motion of Mr. S. C. Parker, duly seconded.

Mr. J. O. Ralston spoke to his Notice of Motion and resolution and moved its adoption, seconded by Dr. L. B. Gibson. This was agreed to.

That, having regard to the necessity and importance of maintaining the principle of absolute equality of all ministers in the matter of stipends and of each congregation—large or small—contributing according to its financial

[3420]

competency to the stipends of the ministers of the Church, a committee be appointed to examine the merits of a sustentation scheme and its applicability to our Church and to report to the next General Assembly.

It was agreed that the Moderator name the Committee. The following Committee was named by the Moderator:

Messrs. G. P. Duncan, *Convener*; K. MacLean, T. B. McCorkindale, J. O. Ralston, *Ministers*; J. G. Pelton, D. B. Dewar, *Elders*.

RULES AND FORMS OF PROCEDURE

Mr. S. C. Parker presented the report of the Committee on Rules and Forms of Procedure and moved, seconded by Judge Farrell, its reception and the consideration of its recommendations *seriatim*. This was adopted. The recommendations were:

1. That the Assembly rescind the amendment, passed last year, of the "Act Constituting the General Assembly"; and that the Act be further amended by substituting in the first and second clauses the words *four* and *fourth* for the words *six* and *sixth* wherever they occur.
2. That the Assembly pass as an Interim Act, and meanwhile send down to Presbyteries under the Barrier Act the following amendment of the constitution of Presbyteries:

"The Presbytery consists of—(1) Ordained ministers within the bounds: (a) all ordained ministers who are pastors of congregations; (b) all ordained ministers who have been appointed to mission fields for not less than one year with the sanction of one of the Assembly's Boards; (c) ordained ministers whose names, at the Presbytery's request, have been ordered by the Assembly to be placed upon the roll for reasons stated in the request; (d) one professor, being also an ordained minister, to represent the faculty of any college of the Church within the bounds, and to be elected by the faculty. (2) Ordained elders; (a) one from each pastoral charge or mission field in which is an organized kirk session; (b) a sufficient number of elders to make the elders on the roll equal in number to the ministers thereupon, the said elders to be chosen by the Sessions

[3421]

annually, assuming the privilege in rotation, and each Session to whom the privilege for the year shall belong, electing one.

"All other ordained ministers within the bounds, and ministers ordained by the Presbytery for work in foreign fields where there is no local Presbytery of this Church, shall be placed upon an appendix to the roll."

3. That, pending a decision upon the foregoing under the Barrier Act, all constitutional rules or amendments thereof at variance with the Interim Act be declared of no effect.
4. That the Special Committee on Revision be authorized to revise the entire Book of Forms, to print, if necessary, matter which is the subject of correspondence with Presbyteries, and to report to next General Assembly.
5. That the Home Mission Board be authorized to operate under the Standing Rules set forth in the appendix to this report as far as practicable until next General Assembly, and that the Board of Administration be instructed to perfect rules for the Board of Trustees of the Church Extension Fund.
6. That Rule 113 of the "Rules and Forms of Procedure" be amended so that from the fourth sentence onward it shall read as follows:

"The General Assembly elects its Moderator immediately after the Assembly has been constituted, and the person elected then takes the chair. The Assembly shall consider a nomination made in the following manner:

"Each Presbytery shall, through its Clerk, before the 31st day of December in each year, transmit to the Clerks of Assembly the name or names of a minister or ministers nominated in such Presbytery for the office of Moderator of the General Assembly, together with the judgment of the Presbytery thereupon, and, if a vote has been taken, the number of votes recorded for each.

"The Clerks of Assembly shall then summon a court consisting of the past Moderators of the General Assembly, (being still ministers of the Presbyterian Church in Canada), and such Court shall, from the names submitted by Presbyteries, nominate to the General Assembly at its next meeting that one which they judge to have the most general approbation of the Presbyteries.

"The minister so nominated shall be notified of such nomination before the first day of February next ensuing."

All of which is respectfully submitted.

REPORT OF THE GENERAL BOARD OF MISSIONS FOR 1925-6

INTRODUCTION

To the Venerable the General Assembly:

This report comprises three parts—Foreign Missions, Home Missions and W. M. S. The reports of Home Missions and W. M. S. are most encouraging and present a most optimistic outlook.

The report of Foreign Missions has of necessity been of a very limited character, and must be so until the Federal Commission acts and we know definitely what share of the Foreign Mission work ultimately will come under our care. However, much thought has been given by your Board to this phase of the Church's work. We feel that the need of the hour is for more volunteers for Foreign work—Evangelists, Physicians, nurses and teachers fully qualified and fully consecrated for their life's work. To this end the Church must be much in prayer and must be ready to support financially this work to the utmost of her ability. Still more is needed a new baptism of the Holy Spirit across the whole church. Not until such a baptism comes will the Church be able to meet the challenge of Foreign Missions. Never was the opportunity so great. Fields are white already for harvest and are calling for helpers. The helpers will come when the Church meets the conditions of the promise—"Ye shall receive power after that the Holy Spirit is come upon you, and ye shall witness unto Me both in Jerusalem and in all Judea and in Samaria and unto the uttermost part of the earth." That our Church may receive power to nobly face the task of Foreign Missions and go forth with more enthusiasm than ever before to witness for the Lord unto the uttermost parts of the earth, is our sincere prayer.

In concluding this report we present to you letters which have already appeared in the *News Bulletin* together with the statement made by the Chairman of the Board before a meeting of the Joint Executives of the United Church of Canada and our Board, which met in Knox College in April.

These letters and statement will give you a fair idea of the work of the Board during the year. We feel assured that at the next Assembly the work of your Board in all branches of Mission work, Home, Foreign and W. M. S. will be of a most definite character and will be one of which every Presbyterian will have just reason to be proud.

All of which is respectfully submitted.

ANDREW S. GRANT,
Secretary.

N. H. MCGILLIVRAY,
Chairman.

GENERAL BOARD OF MISSIONS

Your Committee beg leave to report as follows:

The Provisional Committee that before the last Assembly arranged for the supply of congregations, and also for the supply of mission fields, was superseded by the General Board of Missions, appointed by the last Assembly.

The Assembly put all vacant congregations, minority groups and mission fields under the Board of Missions, and that Board has carried on the work up to the present time. The problem of finding ministers and getting them in touch with vacant congregations, and also the finding of Sunday supply for all such has been met by the Board from the very beginning, and the church has furnished the funds necessary to meet the demands made for maintenance. Over 150 congregations have been settled since last Assembly, and the Commission on the Reception of Ministers have received 40 into the Church and supply for congregations requiring it from Sunday to Sunday, totalled 7,600, and over 130 students have been appointed to fields for the summer, and we have in a very large measure solved the problem of supply.

REPORT OF SUPPLY COMMITTEE

A Committee on Supply was appointed and begs leave to report that since their appointment, meetings have been held regularly dealing with the question of supply. Lists were prepared of men available for supply, and also of the fields requiring supply, and submitted to the Committee. It was also decided that we should secure the names of Elders and other laymen who might be available when necessary to supply in vacancies.

A letter was sent out to Presbyteries asking for the number of congregations within their bounds requiring regular ministers and also those fields requiring the appointment of missionaries.

The synodical missionaries were corresponded with re the matter of preparing Aids to Worship, for our laymen who might be available, but as a rule, reported against the necessity for any such aids being prepared.

Correspondence was carried on with clerks of presbyteries in the United States and the British Isles, asking them to submit names of possible candidates, also to the clerks of presbyteries in the Dominion asking for names of men who might be available as supply.

The committee reported to the Board of Missions the necessity of sending men abroad to interview ministers as to the possibility of their coming to Canada, either as candidates or as stated supply, and outlined also a possible plan covering the financial arrangements to be made with men who come, either in the one capacity or the other, and recommended that Mr. McKerroll and Mr. MacKay be appointed to go overseas, and after discussing this matter the Committee decided to approve of the recommendation and the following is the report of the overseas delegates:

"We, the deputation visiting Great Britain re students and ministers, wish to submit the following report:

"We sailed from New York, February 21st, s. s. *Doric*, arrived in Liverpool March 1st, Glasgow March 2nd. Immediately interviewed Rev. George Duncan, Govan Parish, received much help from him, then interviewed Rev. Lavack, Prof. Main and Prof. Milligan. Failed to see Prof. Reid, Dean of Divinity Hall, Glasgow University, he being sick in the hospital. Had interview also with Very Rev. John White, Moderator of Church of Scotland, also Very Rev. Dr. Fraser, ex-Moderator. Explained to all these men the situation in Canada and that we did not wish to do anything by way of securing ministers, the method of which they would not approve.

The following week, Mr. MacKay addressed the Presbytery of Dunkeld and proceeded north to Inverness. Mr. McKerroll went to address the Dundee Presbytery and proceeded north to Aberdeen, there addressing the students, which was arranged by Prof. Baird, meeting while there staffs of King's College, and the United Free Church College. From Aberdeen proceeded to St. Andrews where arrangements were made by Prof. Geo. Duncan to address the students there. At both these places a number of students signed the application forms, some for this year, and some for next, a number expressing themselves that had they known earlier they would have preferred to come to Canada this year. Finishing in St. Andrews we both proceeded to Edinburgh where Prof. W. P. Patterson arranged for us to address the students of the three years in the Divinity Department of the University, where a number of students signed up. Similar arrangements were made by Principal Martin of the United Free Church and Principal McLean of the Free Church where also a number of students signed the applications. We then returned to Glasgow, where we interviewed a number of men and on the 24th of March addressed the Glasgow Presbytery, on which day six ministers signed the application forms. On the evening of the 24th we proceeded to Belfast, Ireland, and got in touch with Rev. Dr. Lowe, Clerk of Assembly, Rev. Dr. Porter, Rev. Dr. Cochrane and other officials of the Irish Church. Arranged under the direction of these officials to put a statement in the *Witness* also in the *Telegraph* papers as in the *Scotsman* of Edinburgh and *Herald* in Glasgow. This afforded an opportunity of many interviews with men while in Belfast. We then returned to Glasgow on Monday evening the 29th of March and during the following day and a half every moment of the time was taken up with interviewing men who met us at the hotel. While in Scotland we sent a letter to various Presbyteries of the Church of Scotland, Free Church and United Free Church, also to the Presbyteries of the Presbyterian Church of England. We also put a short notice in the *Goland* the Church paper of Wales and the *British Weekly*. As a result of our efforts about 60 ministers signed the application forms and about 70 students in various stages of their college course.

"One fact we wish to impress upon all and that is the courtesy, kindness and helpfulness that we received on every hand and from every one with whom we came in contact. The spirit shown us could not possibly be finer and we returned inspired and much encouraged, feeling that it was the most worth-while piece of Church service that it has ever been our privilege to participate in, our only regret being that it was not done sooner, as intimated by men overseas.

"All of which is respectfully submitted.

"D. T. L. McKERROLL.

"JAMES MACKAY."

A great many applications have been made for loans to assist in building churches and manses and these applications have been forwarded to the Board of Administration for their consideration and that Board has under way the raising of a substantial sum of money for the purpose of assisting needy congregations.

With the membership now well over 150,000, and with a budget of \$600,000 for the missionary, educational and benevolent work of the church, the future is full of promise for our Church.

In addition to the work among our Anglo-Saxon people in Canada, we are carrying on work among the Scandinavians, Hungarians, Bulgarians, Finns, Chinese, Indians on the plains and also among the Jews, so that on the whole we have a very promising mission field in Canada, relative to our present strength, as large a field as we have had at any time in the history of our Church. And in addition to this, the great number of Presbyterians coming to Canada will call for the extension of our work at once, and a great many of our people, especially on the prairies are asking us to come to their assistance with the gospel ordinances.

Outside of Canada doors of opportunity are wide open, and we have been negotiating with the representatives of the United Church for a division of the work carried on by the Church before the separation, relative to our numerical and financial strength, but up to the present we have not succeeded in getting very far. Already we have the Gwalior Mission, and Dr. Wilkie and his staff now are under our care. Dr. and Mrs. Goforth have returned to China, and Rev. Allan Reoch is now in China, acquiring the language. We are supporting Dr. Buchanan and his work in the southern Bhil field, and also missionaries who are home on furlough and are remaining with us, are being cared for by us, and Rev. Geo. W. Mackay of Formosa has written asking for appointment by us, and a division of the Formosan Field.

STATEMENT PRESENTING THE FOREIGN MISSION REQUESTS OF THE CONTINUING PRESBYTERIAN CHURCH

This statement was presented by the Rev. N. H. McGillivray, Parkdale Presbyterian Church, Chairman of the General Board of Missions.

The statement was made before a joint conference of the two Foreign Mission Executives, of the United Church of Canada, and the Presbyterian Church in Canada, on Monday, April 26th, at 2 p. m. in Knox College Board Room, Toronto.

"In presenting our case, I wish to do so in a fair, frank and just way, and all in the spirit of Christian fellowship and goodwill, having ever in our mind, and foremost, the best interests of world-wide missions.

In our own mind we think a grave mistake was made in introducing the question of Foreign Missions in the controversy of Organic Church Union. Had it been left out entirely we believe that the best interests of Foreign Missions would have been served. However, now that the question of Organic Union is settled, we must do our best for the cause of Foreign Missions and endeavor to secure our proper share of the Foreign Mission work, fields and assets, as formerly carried on by the Presbyterian Church in Canada. To this end we first make the following observations:

GENERAL OBSERVATIONS

The Foreign Mission question, if amicably settled by us, will save the Federal Commission much worry and time, our Churches much expense, and the Foreign Mission cause much harm. The Church overseas belongs not to the Missionaries, but to the Church at home, therefore, the Foreign Mission assets are the property of the home Church and in the final analysis, the problem of Foreign Missions is the problem of the home Church. Under the Comity of Missions, 16,000,000 souls were to be under the care of the Presbyterian Church in Canada. Since that Church has been divided, it logically follows that the Foreign Mission Fields and assets should be divided. The basis on which the division is made, we believe, should be on the basis of the strength of the Church at home and it is on this basis that we are making our requests to-day, and will also make our requests before the Federal Commission.

OUR STRENGTH

We are to-day one of the strong branches of world wide Presbyterianism. We are larger in membership than either the Presbyterian Church of England or Ireland, and larger than the Baptist Communion in the Dominion of Canada. We are more than two-fifths our former membership strength; more than two-fifths our former financial strength; more than two-fifths our former W. M. S. strength. Our membership strength to-day is well over the 150,000 mark and our budget for the year calls

for an expenditure of \$600,000. In five years time, from Jan. 1st. 1927, we believe our budget will be \$1,000,000 a year, nearly equal to what it was before the dis-union. It is then on the strength of our church here at home that we will make our appeal before the Commission, and as already intimated, will make our requests to you for a fair division of the over-seas fields. In the facts and figures to follow—we took them from the Assembly Minutes of 1925, covering the work of 1924. In 1924 the Foreign Mission Fields were handicapped for workers, for equipment and for funds. As a Church we were trying to carry on a work which required \$750,000 with less than \$500,000 contributed.

A BRIEF STATEMENT OF THE FINANCES FOR 1924

Its Source—the Churches' gifts, the Women's Missionary Society, and reserve fund. Sum total received was \$463,561.78, a shortage on appropriation of \$36,438.22, and of the \$463,561 the W. M. S. contributed \$49,475 and there was taken from the reserve fund \$97,956.85, so that from the Church at large there was received only \$316,130.87. The call from the Foreign Field in 1924 and for several years preceding was 'Send us more Missionaries and more funds.'

And now a brief word as to our requests, which are as follows:

<i>British Guiana</i> —whole field, estimated yearly expenditure	\$19,000
<i>India</i> —the Bhil Field now occupied by Dr. Buchanan, and the adjoining Nimar Valley, with Mhow, which, with the Gwalior Mission would call for a yearly expenditure of	35,000
<i>South China</i> —whole field, estimated expenditure	17,000
<i>Formosa</i> —whole field, estimated expenditure	40,000
<i>Korea</i> —whole field, estimated expenditure	89,000

You will notice that having in view the relative strength of the churches at home we have made no request at all for a division of the Honan field, the largest one in the church—or for any of the work in Shanghai, and no request for a division of the work in Trinidad; and our request for a division of the work in India comprises but a small portion of the large work there.

We are making our requests for the following reasons:

1. In the supreme interests of the work itself. The work rather than Denominationalism is the main thing. In the leader in *The New Outlook* of Feb. 10th, 1926, we read—"the Board is quite willing, and indeed anxious to transfer any section of the work for which the non-concurring Church can provide staff." In the light of the information and facts given above, that is in my remarks under General Observations, I think we have shown sufficient strength with which to provide the necessary staff for the fields requested. We are stronger for Foreign Mission work now than ever before, because owing to conditions over which we had no control much Home Mission work has passed out of our hands, and so we have greater strength for Foreign Mission work. Before dis-union many congregations in Ontario were responsible for the full salaries of certain missionaries. The majority of these congregations voted to remain Presbyterian and are willing to repeat their support of special missionaries. This, in brief, is our ability to meet the demands of the requests made.

2. Our requests should be granted because of the need of the Foreign Field for more workers, more equipment and more funds. We have a willingness and ability to render such help. Many fields even now held in the name of occupation need fully double the number of missionaries, and many times more the number of native agents. Even some fields there are now with considerable equipment, but have no

workers, or scarcely any—namely Barwani, Sardi, Sitamu, St. Andrews Hospital Jobat, and other fields greatly undermanned.

We believe that the territory already assigned to us, as a Church, under the Comity of Missions should be worked, rather than open up new fields. Surely this is reasonable.

3. We make our requests because we think it is in the best interests of Foreign Missions, that where fields are already well established in Presbyterianism, it is not well to introduce a new denomination, which we consider the United Church of Canada to be. To introduce a new denomination in such fields for instance as Formosa and Korea that are Presbyterian in polity and doctrine and have been so from the beginning, we believe to be a great mistake. The Missionary Council in Korea, for instance, is composed of four Presbyterian Missions, of which the Presbyterian Church of Canada is one.—Why introduce another?

As intimated, the history of the Korean fields is largely that of Presbyterianism, as is also that of Formosa, so that on our part to make requests for those fields is reasonable and just.

4: Our requests are made in the light of our Foreign Mission policy, which in part is as follows:

OUR POLICY

1. To make our work intensive rather than extensive.
2. To ultimately work our fields separately, under our own control, as we believe that dual administration is not satisfactory in the best interests of the work. As recently as the last meeting of the Mission Council of Central India, Miss Caswell, late of the Gwalior Mission, states as her firm conviction, that in her opinion dual administration is utterly impossible, and I think she is right.
3. To work in a spirit of unity and in harmony with all other branches of the Christian Church carrying on work in the Foreign Fields of the world.
4. Our requests made because of our aim. *Our aim*—to carry the Gospel Message to all people, and to every nation and tribe, not to compel them to enter one narrow fold, but to draw them into one flock, under the care of the one Shepherd—not to make denominationalists, but to make men Christians is ever our inspired and inspiring ideal.

For the above, and other reasons not enumerated, we are making our requests.

And now in the way of summary of the same:

SUMMARY

Our requests would require a budget of \$200,000, exclusive of W. M. S. work overseas and of Chinese work in Canada. The fields we ask for are less than one-third our constituency under the Comity of Missions. In the fields requested are less than one-fifth of our Schools, Seminaries and Colleges, and less than one-quarter of our Hospitals. The fields requested would require a staff of 73 workers and 34 wives. To get these workers there are several sources. (1) Our own missionaries as already at work on the field. (2) Others on the field who would work under us, if the fields were granted to us, and have so declared themselves. We could mention names, but refrain from so doing. (3) Other workers serving outside our own Church altogether, who have expressed a desire to help us in our Foreign Mission work. (4) Volunteers from our own land who have already declared themselves, and more are ready to do so as soon as fields are definitely appointed to our Church.

In closing, our sincere prayer is that our Executives may arrive at an amicable settlement of the Foreign Mission question, as to a fair division of the fields, and our hope is that such division may be along the lines suggested, and finally that no matter what the ultimate division of such fields may be, that the spirit of Christian unity and Christian fellowship may always obtain between us and all other branches of the Christian Church engaged in the Foreign Mission enterprise."

REPORT OF WORK OF WOMEN'S MISSIONARY SOCIETY, E. D.

Report of Foreign Missionary Secretary

There have been times when in attendance at our annual meeting, and listening to our Foreign Mission reports, with the various details, when the thought came, that they were perhaps, unnecessarily long and tiring, particularly to those to whom much was already familiar through the various channels of Missionary news.

But can we not, in a measure, realize how intensely interesting it must be, to be in close touch with those in the field, and to learn through their letters of their varied experiences, their encouragements and discouragements, their trials and disappointments, and so often a deep sense of failure; but with it also their sweet experiences in witnessing for Christ, and being co-workers with Him. One thus kept in touch with the work, could not but be enthused and filled with missionary zeal, so it would be extremely difficult to know how to curtail the missionary information at hand.

To-day your Foreign Missionary Secretary is placed in the very unique position of having to "make bricks without straw" or in other words to give a report without any source of information from which to draw. Indeed until a few days ago, it did not occur to me that any report would be expected. Therefore, under existing conditions, my report must of necessity be brief.

The fact that so many are present at our annual meeting would indicate that we are all deeply interested and anxious to carry on this great work that has been intrusted to us, and the fact that we are at present denied this privilege, is to most of us distressing and painful; but let us remember that "They also serve who only stand and wait" and we must content ourselves until we "know just the task that is ours, and then having found it to do it with all our God given powers." We know that in this audience, there are many earnest hearts longing for an opportunity to help carry the glorious Gospel to those who sit in darkness; we also know that in the far away countries of heathendom, there are many souls longing for the Light, so we may believe that in God's own time and way He will grant us the privilege of helping to extend His kingdom.

This season of inactivity may be for the purging and purifying of our souls, and we would do well to dig deep into our hearts and see if there be anything there not in conformity with the mind and will of Christ. May we seek to be cleansed from all dross and vain glory, everything that would hinder in the growth of our souls, and while we thank our Heavenly Father for care and guidance in the

past, may we also pray that He would guide us still, and may we seek His wisdom in all things.

In the June number of our Record, which I hope is in the possession of every Presbyterian, to be preserved for future generations, is a very full and comprehensive account of the meetings held in Toronto.

Let me quote—

"The women have had a large share in bringing their Church safely through her crisis. Their Church is dear to them and owes much to them, and now 'the strife is o'er, the battle won,' and freedom come to her own again, they take up once more with heart and hand their work, especially for women and children at home and in foreign lands. May they be blessed in the doing of it and have the joy of seeing it prosper in their hands."

Also—"The Presbyterian Church will again have her own missions and mission fields, and will hear with gladness as of old—the tidings from afar, of nations in commotion, prepared for Zion's War,—the varied regiments with their varied names and uniforms, marching shoulder to shoulder as in the past, under the leadership of Christ their King."

Let us then go forward with courage in our hearts, looking to the great King for future blessings.

The W.M.S. (E.D.) have a substantial amount on hand to take up the Foreign Mission work whenever it is decided the fields in which the Church will work. Contributions of nearly \$500.00 were sent to Ham Hing Girls School, also contributions for Bible Women in Korea.

M. J. FALCONER.

Women's Missionary Society, Home Mission Report (Eastern Division)

During the year our Women's Missionary Society (Eastern Division) raised \$10,480 for Missions. Of this amount, \$5,000 was given to the Synod's Committee to assist them in their Home Mission Work throughout the Synod.

Naturally the disturbance incident to union has greatly interfered with our work. In October 1924 the formal division of the Society took place at the annual meeting in New Glasgow. The work of reorganization, however, began at once. Mrs. Moore, the President, remaining with us, with Miss Annie Murray, the able and efficient Corresponding Secretary, soon had things in order again. We soon began to recuperate. All vacancies were filled, and with a spirit of loyalty and enthusiasm that was quite remarkable, the broken ranks everywhere reformed and we were soon functioning as a Society as before.

At our annual meeting in October 1925 practically every section of the Synod was represented, and the attendance seemed to show little diminution from former days. A feeling of new freedom prevailed and the work of the past was reviewed and that of the future taken up with enthusiasm and confidence.

It was decided that as Home Mission work we would continue our Deaconess at Thorburn, Miss MacKenzie, having resigned to go into the United Church, we appointed, and are paying from our funds, Miss Sylvester. She is doing excellent work.

Appropriations were also made for Port Work at Halifax and St. John. At the Board meeting in April of this year, Miss Lena Fraser, of Hopewell, who is well qualified for the work, was asked to represent the women on the Pier at Halifax, to explore the situation and do what might be possible under the circumstances to direct Presbyterian immigrants to our Churches in the West. Miss Fraser also visits Presbyterian patients in the city hospitals. The work here, however, is tentative, and we await the action of the General Assembly of June, in Montreal, and hold ourselves in readiness to support any policy that shall be adopted.

At St. John nothing has been done so far, but the coming winter we shall doubtless be represented there as well as at Halifax. In connection with the work as a whole the great need has been a list of our Churches in the West to which workers may direct new-comers to our country. When this need is supplied, as we know it will be, very efficient help to the Church as a whole can be given at these gateways to the Dominion.

SARA H. BAIRD,
Home Mission Secretary.

REPORT OF WORK OF WOMEN'S MISSIONARY SOCIETY, W.D.

The reports herein given is that only of new work undertaken since June 10, 1925. The former work of the Society, by the Dominion Act, has been temporarily placed in the hands of the Mission Boards of the United Church of Canada, as trustees for administration, until the Federal Commission apportions it.

COUNCIL EXECUTIVE

Within four days of the re-organization of the Women's Missionary Society and the installation of its officers by the General Assembly of the Presbyterian Church in Canada, the first meeting of the Council Executive took place and since then, to April 13th, forty-one meetings have followed.

At once the machinery was set in motion, and work began in earnest. One of the first duties to be performed was the sending to all missionaries remaining Presbyterian, the assurance of our moral and financial support.

Necessary committees were appointed, which have been added to as the work developed: a Publications Room was secured with its furnishings and assistants under Miss Parsons: Our missionary magazine was launched with its new name and new cover under the efficient Editorship so well known in former days, and the immediate business connected with the purchase of the School Home at New Liskeard attended to.

Many important decisions have been made during the ensuing months:—the appointment of a matron for the Presbyterian School Home at New Liskeard; the purchase of the Presbyterian Hospital at South Porcupine and appointment of staff;

the appointment of the nurse to Fort McMurray, Alta., and arrangements for that work; the appointment of Miss Pelton as Honorary Field Secretary and that of other workers to other strategic points.

Amongst the important committee meetings, none have been of greater moment than those in which the foreign fields were passed under review: fields in which lie possibilities of continuing old, or establishing new work. We are awaiting the meeting of the Commission which will decide these matters.

Our Church and Society were represented at the Federation of Women's Board of Foreign Missions of North America, at Atlantic City by Mrs. McKerroll and Mrs. Horne; and at the Home Missions Conference at St. Louis by Mrs. Horne. We have been represented at the meetings of the Religious Educational Council, The National Girls' Work Board, Conference with the General Board of Missions, with the Missionary Board of the United Church, at a conference with Mr. Oldham of the International Missionary Council and at an important unofficial conference of Executive officers and members, and missionaries on furlough of Canadian Missionary Societies, held in Toronto.

Much deputation work has also been done by various members of the Executive, but in particular by Mrs. McKerroll, Mrs. Horne, and Mrs. Strachan.

(MISS) MARGARET M. REID.

National Mission Work

SCHOOL HOMES

The first work to be undertaken by our Society on June 11, 1925, was the opening of a new School Home.

For a long time it had been felt that a Home was needed in Northern Ontario but the way had always been closed. The provisional Ontario Provincial passed on to the provisional Council Executive a request that now a School Home should be opened at New Liskeard. Presbytery had also forwarded a request for the same.

A suitable house offered, and an option was taken on it till the Annual Meeting should authorize its purchase. This was done and the house was purchased at a cost of \$7,700, and came into our possession on August 1st. It is admirably adapted to accommodate both boys and girls.

Miss Marjorie McIlwaine, who had been matron of our Home in Prince George, was appointed matron of this, our "Presbyterian School Home," New Liskeard.

The Home opened with an attendance of eleven and at present time there are ten in residence, nine girls and one boy. Several other applications were received and accepted but these had for one reason or another to give up their desire to come, in the meantime. From enquiries coming in, we feel that the number in the Home will be materially increased next school year.

The usual routine of study, work and play is observed. Our pupils have taken a high stand at their examinations and reflected great credit on the Home. Once a month the children get out a paper which they have named, "The Happy Home News." There is a fine bit of ground about the house and here the children find their recreation.

The children attend Church services and Sabbath School. They are also members of the senior Mission Band. The boy in the home sold personal greeting Christmas cards and made \$10.00 for the Band. Out of that amount he was made a Junior Member and the President of the Band was given another membership. Time is spent in the study of the Shorter Catechism and, at family worship, the Psalms and the four Gospels have been studied.

The Home is supplied with a library of two hundred and fifty books and receives three monthly and two weekly magazines. It is self supporting as regards maintenance, and has also been able to meet all repairs; salaries, taxes, etc., only, being met from the general fund.

Miss McIlwaine in her report says, "We hope they are being trained to be leaders in all good works wherever they may be placed in the journey of life."

Several applications for School Homes have been received and it is hoped that two new Homes may be opened this fall. The Council Executive has agreed, on application from Provincial and Synod, that a Home shall be opened in Saskatoon, Sask., this fall. This will meet the need of the many Presbyterian young people coming in to the city to High School, who are unable to find suitable boarding places.

We hope that a Home may also be opened somewhere in the Province of Quebec.

(MRS. D.) HELEN M. STRACHAN.

HOSPITALS

The Presbyterian Hospital, South Porcupine, Ont.—Miss Annie E. Chambers, Lady Superintendent, Miss Mary D. Cuddy and Miss Mary Tennant, nurses.

Negotiations toward the establishing of a W.M.S. hospital in South Porcupine were begun at the instance of the Municipality of Tisdale and its moral support, coupled with that of its material support, has been most generous.

In September 1925, the request came to the Council Executive and was received favorably. About the middle of October a suitable house was chosen. Necessary alterations followed, and on February 17th, 1926, it was formally dedicated and opened for the purpose of ministering to those who require medical aid. Since the opening, the staff has been more than busy, surgical and maternity cases being most numerous.

Fort McMurray, Alberta.—In March 1925, information reached the Provisional Committee of the Women's Missionary Society of the Presbyterian Church in Canada, that Fort McMurray, a point three hundred miles north of Edmonton, at the junction of the Athabasca and Clear Water Rivers, whose population consists of Treaty Indians, half breeds and some white residents, was desirous of having a hospital unit. Owing to circumstances, this could only be considered sympathetically. In June, the matter was laid before the Council and, in July, a duly qualified nurse was appointed to the position of nurse at large. She signified her acceptance, but during the period prior to her departure for her new scene of labor, she developed a heart condition, which proved obstinate. The hospital committee decided as the season was late, they would get on the ground early in 1926. Carrying out this decision, Miss Olive Ross, a duly qualified nurse, was appointed and reported for duty at Fort McMurray the first day of April. A small house has been secured in the meantime and supplies to fit it out are on the way. Miss Ross has treated already, a little child whose lungs were badly congested, and two maternity cases are glad she is there.

(MISS) ISABELLA S. PRINGLE.

SOCIAL SERVICE

DEACONESS WORK—WELCOME AND WELFARE

The department of Social Service functions under two divisions:—The Deaconess work and the Welcome and Welfare. Under both we have most interesting reports.

Miss Murray, Toronto, tells us of her visits to the hospitals of the City, the Home for Incurables and the Mercer Reformatory. In these institutions Miss Murray, representing the Women's Missionary Society, comes in contact with the lonely sick and the straying ones, not of the City alone, but from all parts of our Province and even from beyond its bounds. A number of Auxiliaries have heard from her the story of her work.

Miss Allan, Hamilton.—Miss Allan's work lies in St. David's Church and in the Group that came out of Laidlaw Memorial Church when it went into Union. This Group has no building except a rented hall for Sunday services. All other meetings are held in the homes of the members, organization is therefore incomplete, but there is a good work being done.

In St. David's congregation, the women and girls are thoroughly organized and are showing by their good attendance a real interest in the welfare of the Church. Their women's Prayer Meeting is notable because of its spiritual influence in all parts of congregational work, and even beyond its bounds.

Miss McDonald, Scott Institute, Toronto.—Our veteran worker, reports a large number of visits in Jewish homes, of tracts and gospels distributed, of the class for Jewish mothers continuing its influence among the women, of sustained interest in Sabbath School and Bible class work, and of rejoicing in the mission because of the public confession and baptism of one of the young women.

In January Miss Ethel Gunn was appointed to Jewish work. She visits in the homes of the people, a work for which she is by experience well qualified. Miss Gunn has also spoken in a number of our Auxiliaries and has created a deeper interest in this part of Missionary endeavor.

Mrs. MacKensie.—*All Peoples' Mission, Gonor, Man.*—The Mission celebrated its fifth anniversary on April 1st, 1926. Begun in faith, it has grown steadily and has been richly blessed to many lives. Sabbath School work was its first endeavor and there were three schools held. Two of these were combined during the summer months and met in a large tent. In 1925, a small frame building or shack was secured and the three Sabbath Schools were able to meet as one. Soon this building also became inadequate and our W.M.S. purchased a lot, had the building moved to it and enlarged to meet the growing needs of the Mission. The opening services were conducted by Rev. Mr. McIntosh of Knox Presbyterian Church, Selkirk, late in December. They were memorable because on that Sabbath morning, the celebration of the ordinance of Baptism and the Lord's Supper took place. On that occasion seventeen Sabbath School Scholars were received on profession of their faith. The regular services are the Junior School, Sabbath morning at eleven, Senior School in the afternoon and an Evangelistic Service in the evening. There is also a flourishing Mission Band which contributed \$17.00, to the W.M.S. Three of the Mission girls have passed their entrance examinations. They want to enter on service for their Master when they are equipped.

Three deaconesses at large, have been appointed. Two for the summer months in Northern Ontario and one for Montreal. In Northern Ontario, Miss Whitby will work in North Bay and adjacent points. Mrs. Mitchener at Cochrane and other near-by places. Miss Hugill will assist in some Montreal districts where our Church

requires such help and during the busy immigration months will assist Miss MacArthur in the port and cross city work.

"Hands of Welcome" stretched across the seas, waiting at the ports, establishing contacts all across our Dominion and finally by acts of friendly kindness making of the stranger a friend and a fellow member in our Church and our Community. That is the meaning of Welcome and Welfare.

Since the 10th of June last, 6,174 names have come to this department. Over 2,400 names were received before the end of 1925, and were sent out to all parts of the Dominion. Every name represents a soul.

Miss Scott, at Quebec, and Miss MacArthur of Montreal, have been unsparing in their services and kindness to the newcomers. In addition to her port work, and sending on to Toronto the lists of the Presbyterian passengers, Miss MacArthur does cross city work in Montreal, verifying the addresses of those who remain in that city and introducing them to the nearest Presbyterian Church and pastor. Miss MacArthur's station cupboard is kept well stocked with games and pictures, babies' and children's clothing, as well as various other comforts to supplement the sometimes scanty outfit of a weary traveller passing through.

When passing through New York early in the year, we were able to arrange with the Bureau of Reference for Migrating People under the Home Mission Council and the Council of Women for Home Missions, for the forwarding of names of people coming into Canada via New York, and already a number of names have been sent us. We have also followed our families who move from one part of Toronto to another through information given by the Board of Education regarding the transfer of school children. Names sent us of our own Canadian Presbyterians moving from one town to another have been cared for also and a cordial welcome given them in their new location. This part of Welcome and Welfare is only well begun.

Too much could not be said of the splendid work done by our faithful Secretaries for Welcome and Welfare in the Auxiliaries in each province. Their efforts have been untiring and the results secured correspondingly good in gathering together the scattered and sometimes shattered forces of this department.

(MRS. H. E.) HELEN W. HORNE.

INDIAN WORK

Several Indian Reserves have remained Presbyterian and to these the W.M.S. was glad to send much needed supplies.

Orientals in Canada

CHINESE IN CANADA

In the early months of 1925 the work for Chinese women and children continued in the three centres, Montreal, Toronto and Victoria. On account of Union, certain adjustments had to be made and in the interim, Miss Dickson did most valuable deputation work, both in the east and west, in the interest of the Chinese. On December 1st, she was appointed Superintendent of the Chinese Primary Department in Cooke's Church, Toronto. Miss Hugill was given the work of visiting Chinese women and children in Western Ontario centres, making her visit to each centre coincide, when possible, with the meeting of the Auxiliary, that she might endeavor to interest the members in their local Chinese situation. Under this arrangement,

during the fall and early winter months, several Auxiliaries were addressed, many W.M.S. members and some of the ministers interviewed, and about forty Chinese families visited. In Eastern Ontario a similar work was undertaken by Miss Davies of Brockville, who is giving her spare time to this service. She reports having visited twenty-six Chinese families, a number of ministers and W.M.S. leaders, also S.S. Superintendents. Through this new work not a little added kindness has been shown the stranger within our gates, and the stranger, we believe, appreciated it.

A conference between members of the W.M.S. of the United Church, and our Council Executive, resulted in Miss Dickson's return to Murray St., Toronto, as our Missionary in an interdenominational work.

Mrs. MacQueen of the Chinese Mission, Victoria, B.C., reports a morning kindergarten with an enrolment of thirty-three pupils, an afternoon English class of fourteen pupils, Chinese classes from four o'clock to seven, with sixty-three on the roll, and a splendid group of young men and boys, fourteen in all, in a night class. In addition there is a large music class, with a club which meets monthly. All pupils in music are expected to connect themselves with some organization of the Church. The S.S. has an enrolment of eighty-five, and an average attendance of fifty-one. The W.M.S. Auxiliary has an average attendance of nine women. The Mission Band has a membership of forty. "The loyalty of these people to our beloved Presbyterian Church has been very marked at this critical period, and they are surely deserving of our sympathy and help."

PERSIANS IN CANADA

The prospect of opening work in the Persian colonies, in and near Fort William, Ont., and North Battleford, Sask., was discussed by the Council Executive in September, 1925.

It was agreed that we write the Presbyteries concerned for information, and at the same time let them know that we have available a Persian Missionary, a graduate of Knox College, who could be sent for a number of months to each colony if the Presbytery so desired.

The Superior Presbytery had a survey and canvass of families made and their finding was that it would not be wise to send in a worker at present.

The Presbytery of Prince Albert and Saskatoon referred the matter to the Session of the North Battleford Church, the Home Mission Convener stating that if the minister and elders thought it advisable, it might be well to have our missionary, Rev. E. O. Eshoo, go out and get in touch with the colony, with a view to bringing them into touch with the Church. Later, Rev. Peter Fisher, of North Battleford, in whose field the Persian colony lies, wrote that if the W.M.S. could finance the undertaking it might prove to be "richly worth while." Accordingly, arrangements were made to have Mr. Eshoo leave in January, on a mission to his people in North Battleford.

SUPPLIES

Reports from the Supply Secretaries of the different provinces all indicate a spirit of co-operation among our members.

Alberta.—The Memorial Sunday School at Rocky Mountain House received suitable gifts for "the first Christmas tree our Sunday School ever had" a supply of clothing and quilts were sent to several points in the province. Value—\$344.70.

British Columbia.—Efforts have centred largely on providing Christmas gifts for the Chinese children in Victoria and Vancouver, some of the Mission Bands contributing to this work. Some Social Service Work was also undertaken in Vancouver. Value of Supplies—\$95.00.

Manitoba and Saskatchewan.—Re-organization in these Provinces was accomplished too late in the year to permit of allocations being sent to them or reports being received from them this year. The Selkirk Mission received donations of Christmas gifts for the children.

Ontario.—The response to requests for supplies for the New Liskeard School Home was most generous, and the Home is completely equipped. A quantity of canned fruit and honey, also several barrels of apples were greatly appreciated. The gift of a piano from St. Andrew's Church, Toronto, provides an added educational opportunity for the pupils in the Home.

In response to a request from Rev. F. B. Willson, minister on the Okanase Indian Reserve, a lantern was purchased for use in the Church, and St. Andrew's Church, Toronto, kindly donated an organ. Generous bales of quilts and clothing, also Christmas gifts were sent to this Reserve and also to the Birdtail Reserve. The necessary equipment for the Deaconess Training Home, 648 Huron St., Toronto, was supplied. The needs of the Evangel Hall Mission, Queen St., West, Toronto, were generously met. Miss Mary Murray has received the necessary supplies for her work as Hospital Visitor in Toronto. Christmas gifts were prepared for the Chinese women and children in Toronto and also for Jewish women and children at Scott Institute, Toronto.

The decision to open a Hospital at South Porcupine, Northern Ontario, required allocations for supplies to be sent out in October and the responses will be duly reported next year.

Requests were received from various points in the West for clothing and quilts. Twenty-five bales were promptly packed and shipped. Much praise is due the Mission Bands and Young Women's Auxiliaries for their donations of Christmas gifts. Value of Supplies—\$3,641.42. Cash for Supplies—\$2,066.97.

Quebec, reports contributions made to the Family Welfare Association of Montreal in response to a special appeal. A generous bale of quilts and clothing was sent to the West. Mission Bands and C.G.I.T. Groups provided Christmas supplies for Miss McArthur's work in Montreal. Value of Supplies—\$399.75.

The preparation of the supplies by the Auxiliaries, Y. W. Auxiliaries, Mission Bands and C.G.I.T. Groups constitutes an important service.

(MRS. W.H.) VIOLET M. FLETCHER.

LIBRARY WORK

Alberta.—A library of sixty-two books was sent along with Sabbath School Supplies and *Presbyterian Records* to Blairgowrie Sabbath School at Sibbald. Four parcels of *The Glad Tidings* and *Presbyterian Records* were sent to different groups and a Sabbath School offering of \$5.00 provided a school in a poor district with hymn books. Mrs. Acheson, Provincial Press Secretary sends *News-Bulletins* to each Minority Group telling them just what is being done in the way of re-building broken walls.

British Columbia.—Mrs. A. H. Gordon has written Library Secretaries suggesting possible methods of co-operation with Welcome and Welfare Secretaries of Auxiliaries and hospital visitors, also ministers and missionaries as to the distribution of magazines.

Manitoba.—Miss Connell wrote the Secretary of the lumber camps and he supplied addresses and remarked it was "A needy bit of missionary work." This Secretary also sent books to Bowsman lumber camps and gathered Sabbath School supplies and other good reading matter and sent them to some families in an adjacent poor district.

Ontario.—We are already supplying camps, Sabbath Schools, missionaries, Minority Groups and individuals throughout the Dominion with good literature. Four pulpit Bibles, one hundred and twenty-five new hymn books, two thousand, two hundred library books, seven hundred pounds of magazines, also picture rolls and Sabbath School papers have been distributed.

Quebec.—That most interesting paper, "The Shining Light" was sent to the Auxiliaries. The Auxiliary Library Secretary of St Andrew's Church, Quebec, divided one hundred and twenty books, donated by Dr. Love, among the seven Auxiliaries of the Presbyterian.

Saskatchewan.—Church work here is moving slowly, what looked like unsurmountable difficulties a few months ago have, to a certain extent, been overcome, and the work is going forward.

(MISS) ISABELLA S. PRINGLE.

STUDENT WORK

After the Council meeting of the Presbyterian W.M.S. in Toronto in June, plans were made for the Student Conferences. Names were submitted to the Council Executive of the W.M.S. and delegates chosen for the different conferences.

The yearly Conference of the Student Christian Movement for the western students was held at Kenora, September 8th-18th, and Miss Marion Sellars represented the W.M.S.

The Central Conference for the students of McGill, Toronto and Western Universities met at Elgin House, Muskoka, Sept. 16th-25th. Miss L. Pelton and the Student Secretary attended this conference of over a hundred students of different denominations.

A Conference of the Student Volunteer Movement was held in Oshawa, Oct. 23rd-25th and Mr. Wilder, Secretary of the World Student Volunteer Movement and different missionaries spoke to the delegates. The purpose of the conference was to extend the interest in missions in the colleges.

Every few years there is a Student Christian Movement Conference for all of Canada and, this year, one for Western Canada was held at Saskatoon from Dec. 25th, 1925, to January 1st, 1926. Mrs. Grace of the Saskatchewan Provincial W.M.S. and Miss Marion Sellars of Manitoba College represented the W.M.S. All our delegates sent in splendid reports of the conferences.

A number of letters were written to students and over two hundred greeting cards sent out at Christmas. The members of the W.M.S. in the university centres have entertained the students.

(MISS) HELEN F. McEWEEN.

CANDIDATE DEPARTMENT

In June, 1925, the Candidate Department was extended to include candidates for National as well as for Overseas work. Since that time the Secretary has been in communication with forty-five enquirers and applicants. The list includes, teachers, nurses, well-equipped evangelists, social service and Jewish workers, deaconesses, and a number of young women with business training and experience. Of the nine nurses applying, seven are fully trained, the fifteen teachers have University or First or Second Class standing. Several are young women seeking information with a view

to preparing for future work. A forty-sixth applicant was a man with good and varied equipment for foreign service. His application was sent on to the General Mission Board.

In October, an appeal for two workers for India was made through *The Glad Tidings* and the *Presbyterian Record*. Several applications came in, and two teachers, Miss Waddell and Miss Stringer were interviewed by Dr. Wilkie, and were later accepted for appointment by our Council Executive. Unfortunately, Miss Waddell found it necessary to withdraw. It was not thought advisable to send Miss Stringer alone and she is continuing her studies preparatory to leaving for Gwalior, with another worker.

A special appeal for candidates was prepared by Mrs. Strachan and widely distributed. By courtesy of the Rev. Stuart Parker and the Rev. Norman MacEachern the appeal was presented to the ninety-five Presbyterian Normal Students in Toronto.

On request of Mr. Wilder, General Secretary of the Student Volunteer Movement for Foreign Missions, our 1926 list of foreign calls, was prepared and appeared in the January number of the *Student Volunteer Movement Bulletin*. The Department's connection with outside Candidate Organizations has continued without interruption.

The candidates receiving appointment were: Miss Ethel Gunn, appointed to Jewish work in Toronto; Miss Mary D. Cuddy and Miss Mary Tennant, nurses to South Porcupine Hospital; Miss Irene Stringer, teacher to Gwalior, and Mrs. Lord to the Deaconess Home.

(MRS. D. INGLIS) EVELYN GRANT.

Field Work

"So built we the wall, and all the wall was joined together, unto the half thereof, for the people had a mind to work."

The broken shattered walls of our Women's Missionary Society have been rebuilt in an almost incredible way. Those who had always been faithful workers have redoubled their energies, those who had been lukewarm have had the fire in their hearts kindled into a warm glow, those who had been indifferent have become conscious of a responsibility toward the command of the Master, those who were antagonistic have had their hearts touched and they have become sympathetically concerned about the great mission of the Church.

From September 28th to March 15th inclusive, your Field Secretary addressed 119 meetings, through which she came into touch with over 150 branches of the Women's Missionary Society, and, in speaking to different members of these various Societies, it was ever the same story, new life, doubled enthusiasm, and deepened consecration. Societies organized by your Secretary were as follows:—Mission Bands, 2; Young Women's Auxiliaries, 1; Auxiliaries, 5; Societies affiliated, 2. In every congregation visited, with the one exception, where they did not organize, there was either an Auxiliary, or an Affiliated Society. The Affiliated Societies were not more than five, hence one readily realizes how wonderfully the wall has been rebuilt.

We are in great days in our Society, and in going about among the women of our Church one cannot help but feel that there are yet greater days ahead.

(MISS) LAURA K. PELTON.

INTERNATIONAL—INTERDENOMINATIONAL

The Society, as in former years, remains linked up with the International Union of Women's Foreign Missionary Societies of the Presbyterian and Reformed Churches, the report of which, "The Girdle Round the Earth", was received from the Secretary, Miss Matthews. Several reports have also been received from Sister Societies in the Union. If the next meeting of the Pan Presbyterian Council is held in Winnipeg, the members of the Society will have an opportunity of attending the meetings.

Membership also continues in the Council of Women for Home Missions and the Federation of Women's Boards of Foreign Missions for North America.

The Society is represented on the Interim Committee of the Women's Missionary Boards of Canada by Mrs. R. Ross and Miss MacMurchy. The Day of Prayer under the auspices of this Committee was observed on February 19th, throughout the Dominion, joined in also by the women of the United States.

(MISS) BESSIE MACMURCHY.

Overseas Mission Work

SOUTH CHINA

Over the 1925 report might be written the word *Tragedy*, for during the year this field was stricken, as by a violent hurricane. In China, civil war and the bitter anti-Christian, anti-foreign, communistic movement, particularly directed against the British, made everything exceedingly difficult, and our missionaries suffered much persecution and were driven from the work which had been built up by long years of labor and loving devotion. When the storm had somewhat spent itself and the atmosphere had cleared, it was found that our mission stations had been abandoned, the "Marion Barclay" Hospital and the Girls' Boarding School in Kongmoon closed, and the educational and evangelistic work at Shek-kei and San Wooi disorganized.

Of the W.M.S. staff, five remained loyal to our Presbyterian Church: Misses Agnes I. Dickson, Agnes J. Dulmage, Ethel C. Reid, Luella I. Crockett and Dr. Jessie MacBean.

Three of these were at home on furlough, and Dr. MacBean and Miss Dulmage took refuge in Hong Kong with friends of other missions who showed toward them very great kindness. The Anglican Mission offered Miss Dulmage a position on the teaching staff of the Diocesan Girls' School at Kongloon, Hong Kong which, after correspondence with the home Board she accepted. Of this new position Miss Dulmage writes "There are good opportunities for witnessing for Christ in this school. Each morning I have a class of forty girls for scripture; about half are Chinese, some Eurasian, some Portuguese and a few English, but almost none of them are Christian. God grant that I make the most of this splendid opportunity, and that through His grace and power many of these dear girls may be led to make a decision for Christ."

About the same time Dr. Jessie MacBean joined the staff of the Hackett Medical College in Canton and writes that she is very happy in her work there, and considers it a privilege to take a share in such an important field of labor. Although the teaching schedule is heavy yet it is most interesting, her work being with the students of the third and fourth years, bright girls all of them. In the former case it is clearly understood that this is a temporary arrangement until such time as work can be resumed in our own mission stations, or in new fields opened by our Church.

Miss Dickson is in Canada on prolonged furlough on account of family conditions, and is engaged in work among Chinese women in Toronto. Misses Reid and Crockett have done valuable deputation work, the latter in Nova Scotia, where her home is.

INDIA

In retrospect the thought comes uppermost how very fortunate we are that the two Presbyterian strongholds in India, Gwalior and the Bhil district, where our missionaries have shown such unswerving loyalty and devotion, should be places of strategic importance both historically and geographically. No matter what the future may hold in store for us of new fields and fresh endeavor, there can be none where we would find greater opportunities for expansion and development than these two lying so vitally close to the heart of India.

It was a great help to have Dr. Wilkie with us at our Annual Meeting in June, and up to the time of his departure in December he kept in close touch with our Women's Missionary Society. It was disappointing that of the two young ladies, on whom he had set the seal of his approval after personal interview, only one, Miss Irene Stringer, was available and has been appointed by the Council Executive to fill the position of teacher in the Girls' School at Jhansi. As it was impossible to send her out alone in January, Dr. Wilkie writes, "I am glad to know that Miss Stringer is taking a course at the Deaconess Training Home. It will be good for her and the few months delay will not be a loss in the end." Miss Stringer's course includes, Bible History and Theology, handicraft work and home nursing, besides valuable practical experience, so we feel confident of the great assistance she will be to Mrs. Hawtin, when she and another candidate go out to take the places of Miss Caswell and Miss Baxter who have entered the United Church and removed to the Central India Mission.

From Amkhut, Miss Robson reports that in spite of the harassing events of the past year she is carrying on as usual with the most satisfactory results. Two of Miss Robson's own seniors in Class VI got the highest percentage of marks obtained in the final examinations, and all the others were in good standing. These lads are the leaders for the future and are fine upright, promising boys. The school attendance kept up well even during the cold and rainy season when it averaged over one hundred. Christmas was the usual great occasion requiring two days of celebration. There was much sickness during the cold season and Miss Robson deplores the lack of any accommodation on the compound where patients could be properly nursed. The houses of the Bhils are comfortable for well people but in times of illness the suffering from exposure is great and there are frequent deaths due to lack of ordinary care. Last winter there were six deaths among the Christians, which might have been prevented had the proper facilities been at hand. Surely this is a situation that we can help to remedy. We owe a debt of gratitude to Dr. and Mrs. Buchanan, Miss Robson and all the workers that we can only repay by removing any burdens of financial difficulty, under staffing or inadequate equipment, that they may have fresh stimulus to go on with the Master's work in the healing of bodies as well as the souls, also that these faithful ones may have their well-earned, richly deserved furloughs.

(MRS. A.R.) MURIEL L. MCMURRICH.

JAPAN

At our annual meeting held in Knox Church, Toronto on June 11th and 12th, Dr. Caroline Macdonald gave a most interesting address on the new work she had begun in Tokyo among factory girls, and her strong plea that we should take some share in this, resulted in our giving a yearly grant of two thousand dollars.

In writing at the close of the year of what had been accomplished Dr. Macdonald said, "We are now at the beginning of the development of an entirely new field of mission work in Japan, and I returned from furlough to find The Working Girls' Night School preparing for its first anniversary. The occasion proved to be a really historic one and twelve young women received diplomas for their year's work. As the School had received recognition from the Educational department of the city, these diplomas glistened with seals of various sorts stamped with scarlet sealing wax. The chairman of the Board of Trustees of the settlement, Dr. Uzawa, presented them; a representative from the City Council made a speech and the former principal of Tsuda Women's College also spoke. In the audience were 160 girls from various factories in the neighborhood, besides many who were interested in this new work which, besides giving the opportunity of education where there is such dire need, carries with it, hand in hand, the teaching of Christ and His message as no amount of sermons without this practical service could do, for factory workers in this land are very suspicious of religion, Buddhism and every other kind included in the category; they will continue to misunderstand religion until we translate into action the virile principles of Christ and the meaning of salvation as He meant it."

It is a great privilege to have a share in this large opportunity to touch some of the vital problems of Japan through this contact with its factory women of which there are many thousands.

THE PRESBYTERIAN COLLEGE, MONTREAL

REPORT OF THE BOARD OF MANAGEMENT

To the Venerable the General Assembly:

The Board of Management of the Presbyterian College, Montreal, begs to submit its report for the Session 1925-1926.

On the fifth day of June, 1925, the General Assembly declared vacant the offices held in the College by Principal Fraser and Professor Eakin, and appointed a new Acting-Principal "to take office forthwith", and a new Board of Management with power "to take office immediately on appointment". By virtue of this authority a few moments after the above action of the Assembly, Professor R. E. Welsh, as Acting-Principal, and Brigadier-General J. G. Ross, Chairman of the Board, accompanied by two witnesses, Professor A. R. Gordon and Rev. Richard Roberts of the American Presbyterian Church, took formal possession of the College Buildings, entered the Principal's office during Dr. Fraser's absence in Scotland on Church duty, and removed the seal, registers and other official documents to a place of security outside the College Building. They placed private detectives at the door to prevent any representatives of our Board or our Church from entering. The "Continuing" General Assembly on June 12th reinstated Dr. Fraser as Principal and Dr. Eakin as Professor of Practical Theology, revoked the appointments of Professors R. E. Welsh, A. R. Gordon, E. M. Best and Charles Bieler, and on the following day it appointed a Board of Management and a Senate composed solely of Presbyterians.

For various reasons which we need not specify we did not contest in the Courts the legality of the possession so hastily taken and so forcibly held, but resolved unanimously to make other arrangements for the housing of our students and the accommodation of our classes and to leave the question of ownership to the Legislature of Quebec. At its recent session the Legislature decided to give to our Church the College buildings, charter, seal and records, and the temporary use of the endowments to be administered by the Royal Trust Company, Montreal, until they shall finally be disposed of by the Federal Commission. Possession of the building, the charter and all official documents will take place on the first day of June, 1926. The Quebec Act deprives us of further participation in the co-operating scheme of the four theological colleges affiliated to McGill University. This plan of co-operation has been in force since 1912 and your Board wishes to make it clear that the withdrawal of our College is not voluntary but is made necessary by the Bill presented by the United Church. Our affiliation to McGill University is not in any way affected. As a result of our exclusion from co-operation it is probable that our relations with McGill University will become closer.

In confirmation of this interpretation of the legislation the following extracts are given from the Act as signed in its amended form:—

"Notwithstanding anything in the said Act, Chapter 100 of the Statutes of Canada, 1924, or in this Act contained, the estate, right, title and interest of the Presbyterian College of Montreal in all the properties and effects of said College, moveable or immoveable, lands, buildings, furnishings and fixtures, shall on and from June 1st, next,

1926, be vested in George B. Fraser, Merchant, James Rodger, Merchant, and Purvis McDougall, Stock Broker, as trustees for the said church of the non-concurring congregations of the Presbyterian Church in Canada and the said Presbyterian College of Montreal shall have the same connexion with and stand in the same relation to the church of the non-concurring congregations of the Presbyterian Church in Canada as it had and stood with and to the said Presbyterian Church in Canada immediately prior to the 19th of July, 1924.

"In respect of the endowments and investments of the said Presbyterian College, they shall be administered by the Royal Trust Company, Montreal, and the whole income or revenue thereof, less the cost of such administration, shall be paid to the trustees as aforesaid for the interim support of said College, until the Commission appointed under said (Federal) Act shall have considered and determined the permanent dispositions of such endowments and investments.

"The charter and records of said Presbyterian College shall likewise be vested in said trustees as aforesaid on behalf of the said Church..... provided the United Church of Canada shall have right of access to, with liberty to make extracts or copies from said records.

"Notwithstanding the vesting of the College buildings, land, furniture, fixtures and charter of the College in trustees for the church of the said non-concurring congregations, this shall not involve and shall not confer any membership or representation in the Joint Board of the Theological Colleges affiliated with McGill University.

"All students and other members of said United Church of Canada shall have right of access to and use of the library of said Presbyterian College.

"The property of said Presbyterian College shall be debited and charged against the said church of the non-concurring congregations in any apportionment or allocation made by the said (Federal) Commission."

We are especially pleased at having the stately buildings in their advantageous position on the McGill Campus restored to our Church. They represent more than stone and mortar; they are an outward and visible sign to this community of the continuance of the Presbyterian faith, government and worship. The restoration of the charter is also very significant. With its authority to confer degrees it preserves the continuity of the College.

We acknowledge with gratitude gifts of a substantial kind during the session—for example, an endowed scholarship of the annual value of one hundred dollars in memory of Mrs. Laurence MacLaren and Miss Elizabeth J. MacLaren, late of St. John, N.B.; a scholarship of the annual value of fifty dollars in memory of Mrs. Charles W. MacLean, late of Woodstock, N.B.; a special scholarship of fifty dollars donated by Mrs. Malcolm Thomson of the First Presbyterian Church, Montreal; three University scholarships of one hundred dollars each awarded by the Board of Morrin College; and a generous anonymous contribution of bursaries for the assistance of needy and deserving students.

In the absence of Professor Eakin, who was transferred for the session to Toronto to supervise the work in Knox College, and without the use of the College residence, class-rooms and library, the work of the Session has been carried on under great disadvantages; but the loyalty of the students, the friendliness of the authorities of McGill who placed their class-rooms at our disposal, the courtesy of the Board of the Diocesan College in granting to our students the privileges of residence and of the Anglican Faculty in admitting them to their classes, the larger use of the courses of McGill University, and the kindness of the Presbyterian Women's League in furnishing a common room for the use of the lecturers and students, all contributed towards making the Session a successful one.

We appreciate the services of the Ministers who gave special courses of lectures as referred to in the report of the Senate, and express our gratitude to the General Board of Administration for its generous appropriation.

The financial expenses of the Session naturally have not been heavy and a detailed statement is hereby submitted for insertion in the "Acts and Proceedings" of the Fifty-Second General Assembly.

The Board unanimously nominated the Reverend Francis Scott MacKenzie, M.A., B.D., Th.D., for the Chair of Systematic Theology and Craves the General Assembly to make the appointment.

All of which is respectfully submitted.

KNOX COLLEGE

REPORT OF BOARD OF MANAGEMENT

To the Venerable the General Assembly:

The Board of Management of Knox College begs to present the 82nd Annual Report.

By the Act of the Ontario Legislature in 1925, the lands and buildings of Knox College, with the exception of what is known as the North House, were assigned to that section of the Church which did not enter the United Church of Canada. On June 10th, 1925, this property therefore became vested in the Trustees appointed by the Legislature for this purpose, Messrs. James Turnbull, Thos. McMillan and C. S. McDonald. Provision was made by the Legislature for joint occupation of the College buildings and the Residences by the Faculty and Students of the Presbyterian Church and of the United Church for a period of not more than three years from June 10th, 1925.

It was the duty therefore of the Board of Management to carry out these provisions. Accordingly at the beginning of the first term a fair division was made of the class rooms, Professors' rooms and dormitories, and one half of the available accommodation was assigned to each faculty and student body. The entire control however rests in the hands of your Board of Management. The care of the property is in the hands of the Trustees already named. The library together with the Library Endowment Fund is vested in three Trustees for both Churches, and it is stipulated in the Act that all Ministers and Students of both Churches shall have the right of access to the library under regulations to be made by the Trustees. The following were appointed as Trustees of the Library, Messrs. Adam Ballantyne, K.C., James Turnbull, and A. R. Auld.

The disposition of the Charter of the College and the endowments is left to be decided by the Federal Commission.

It was necessary to arrange for the opening of the College in October and to secure a temporary staff of Lecturers. The Board of Management of the Presbyterian College, Montreal, was requested to transfer Rev. Dr. Eakin to Knox College for the College year 1925-1926. This request was most kindly and promptly granted and Dr. Eakin was appointed acting Vice-Principal. Provision was also made for carrying on the work of the College in the different departments by temporary appointments to the teaching staff as set forth in the report of the Senate. Your Board considers that the Church and the College are deeply indebted to those Ministers who responded to this request, and who undertook this work upon very short notice and under rather difficult conditions. The work thus undertaken was carried out by all in a most efficient and satisfactory manner.

The Board also desires to express its high appreciation of the fine services rendered by Dr. Eakin as acting Vice-Principal and especially desires to call attention to the able manner in which he handled a very difficult and delicate situation, with satisfaction to all concerned and with honour to himself.

It is necessary that full and careful consideration should be given by the General Assembly to the needs of the College, and to the importance of making definite arrangements for carrying on the work of the College during the coming year. The Board of Management therefore begs to submit the following recommendations, which express the unanimous judgment of its Members, reached after the most careful consideration. The Members of the Senate of the College present concurring in this decision.

First.—The Board recommends to the General Assembly that Rev. T. Eakin, Ph.D., D.D. be appointed as Principal of Knox College.

Second.—The Board recommends to the General Assembly that Rev. J. D. Cunningham, D.D. be appointed to the Chair of New Testament Literature and Exegesis.

Third.—The Board recommends to the General Assembly that no further appointments be made this year, but that the Board of Management of the College be authorized to make any temporary appointments that may be found necessary.

Mr. C. S. McDonald and Mr. Thos. McMillan were appointed to present these recommendations to the General Assembly.

All of which is respectfully submitted

J. W. MACNAMARA,
Secretary.

C. S. McDONALD,
Chairman.

REPORT OF THE SENATE OF KNOX COLLEGE

To the Venerable the General Assembly:

At the meeting of the General Assembly held in St. Andrew's Church, Toronto, in June last, the Board of Management of Knox College was authorized to make provision for carrying on the work of the College for the Session 1925-1926. In pursuance of that authorization the following were appointed lecturers:

Old Testament Literature Exegesis—Professor Thomas Eakin, M.A., Ph.D., D.D.

Homiletics and Pastoral Theology—Professor Thomas Eakin, M.A., Ph.D., D.D.

Systematic Theology—Rev. Stuart C. Parker, M.A., B.D.
Rev. F. Scott Mackenzie, M.A., Th.D.

Church History—Rev. W. W. Bryden, M.A., B.D.

New Testament Literature and Exegesis—Rev. J. D. Cunningham, M.A., D.D.

The work of the year was carried on most successfully by this temporary staff. There were twelve students in the regular course in Theology, three candidates for the degree of Bachelor of Divinity, three preparing for the work of Medical Missions and twenty-two in Arts preparing to enter Theology. Several applications for entrance on Theology had to be rejected because of insufficient preparation; four men received Diplomas: M. W. Heslip; D. McQueen; John Riddell; H. F. S. Thomas, B.A. Another student, M. E. R. Boudreau, B.A., graduated from Knox College in connection with the United Church of Canada on the 13th of April, and next day became a Licentiate of our Church.

Our relations with the University of Toronto were most satisfactory, and we were able to secure the recognition and privileges given to a Federated College.

The prospects for the coming session are exceptionally good. It is expected that the number of students in first year will be as great as any first year which Knox College has had for a decade or more, and nearly all of these are university graduates.

The following are the names of the students in Theology:

First Year.—F. W. Beare, B.A., G. A. Holland, B.C., S. C. Scott, B.A.

Second Year.—George Aitken, Leslie McLean, A. N. Miller, B.A., W. B. Mitchell, B.A., D. Donoghue, B.A.

Third Year.—M. W. Heslip, D. McQueen, J. Riddell, H. F. S. Thomas, B.A.

REPORT OF TRUSTEES OF KNOX COLLEGE

To the Venerable, the General Assembly of The Presbyterian Church in Canada:

Under the terms of the *United Church of Canada Act*, (Ontario), Section 14, the Estate, right, title and interest of the Corporation of Knox College, in the lands and buildings of Knox College, and the contents thereof, was vested in the undersigned Trustees, as Trustees for the Church of the non-concurring congregations of the Presbyterian Church in Canada, subject to joint occupation for a period of not more than three years from the tenth of June, 1925, as set forth in Section 14B, during which period the whole income or revenue from the General Endowment Funds of Knox College shall be paid to the said Trustees, and used by them for the maintenance and upkeep of the said lands, buildings and contents of Knox College.

The total income received from June 10th, 1925, to April 30th, 1926, amounted to the sum of \$10,915.48, as per statement attached hereto, which is duly certified to by Messrs. Henry Barber, Mapp & Mapp, Auditors for our Church.

In addition to this income, there are arrears yet unpaid, due us, of \$364.90, and accrued earnings from March 31st, 1926.

JOINT COMMITTEE ON THE AGED AND INFIRM MINISTERS' AND WIDOWS' AND ORPHANS' FUNDS

To the Venerable the General Assembly:

The joint Committee on the Aged and Infirm Ministers Fund and the Widows' and Orphans' Fund, appointed by the General Assembly of 1925, in submitting their report for the past year, regret that, owing to the fact that all the funds and assets of the above two funds, have, since the 10th of June 1925, been in the hands of the United Church of Canada, and administered by them, for this reason we are unable to report in detail as to these funds other than to say that in a reply to a letter from your Convener, Rev. D. T. L. McKerroll, Mr. J. K. Macdonald, Convener of the Aged and Infirm Ministers' Fund, now in the United Church of Canada, under date of the 19th day of Nov. 1925, wrote as follows:

"I may just say that the list for the quarter ending with to-morrow, calling for annuities on the same basis as in the early part of the year, is already in the hands of the Treasurer, and the cheques have either already been sent out, or are being sent out to the Annuitants."

Your Committee have not yet had any information as to our men not having been looked after, but in the event of any difficulty arising, pending the adjustments of these Funds by the Commission, we would urge upon those so affected to communicate at once with the Convener or Secretary of this Committee and the matter will have the attention of the Committee.

The Committee and its Executive have given careful attention to the question of these two funds and especially in view of the complications due to the Union question; and would assure all our Brethren that under the United Church of Canada Act, under heading of "Administration" pages 38-9, section 12, "Benevolent Funds" their rights and claims are adequately protected.

YOUR COMMITTEE ARE UNANIMOUSLY OF THE OPINION:

1. That a separate administration of the share of non-concurring ministers in the Aged and Infirm Ministers' Fund and the Widows' and Orphans' Funds, be arranged so that the rights and claims of all non-concurring Ministers and Widows and Orphans shall be conserved—and that the Commissioners representing the non-concurring Presbyterian Church on the Federal Commission, be so advised.
2. That a questionnaire be prepared and sent out to all known non-concurring Ministers and Widows and Orphans, asking for such information as will be necessary in computing our share of the present funds before the Federal Commission, and also for the guidance of the Actuary in preparing the new plan set forth hereafter in this report.
3. That in the event of any failure on the part of the United Church of Canada during the period of readjustment, to administer these funds as heretofore, that the Assembly's Committee on these funds be authorized to act in such an emergency and to take such steps as may be necessary to adequately provide for all

non-concurring Ministers, Widows and Orphans, who are entitled to aid from these funds, and also to take into consideration any special cases of Ministers, Widows and Orphans, requiring immediate attention during the period of readjustment, and that until next Assembly they be authorized to requisition the Board of Administration for payment of such amounts as they may authorize up to, but not exceeding the Annuities to which the claimants are now entitled, and that such payments be a charge against the amount credited to these funds from the Budget for 1925 and 1926.

Your Committee have received applications to retire from the active work of the Ministry as follows:—

<i>Class A—Rate-Paying</i>	<i>Age</i>	<i>Service</i>	<i>Reasons</i>	<i>Date as of</i>
Scott, Rev. A.H., M.A., D.D., Perth	73	44½ yrs.	Age and Service	Jan. 1, 1926
Love, Rev. A. T., D.D., Quebec.	..	41 yrs.	Age and Service	Dec. 18 1925
<i>Class B—Non-Rate-Paying</i>				
Smith, Rev. G. H., D.D., St. Catharines	61	34.4	Ill Health	April 1, 1926

Your Committee, after careful consideration of these cases and the Documents in connection therewith, beg to recommend that retirement be granted, with full Benefit for the years of service set forth and to be effective as at the dates also set forth above.

The Committee have also received an application from the Presbytery of Victoria on behalf of the Rev. E. Macqueen, age 70, which your Committee have considered—but as there appears to be a discrepancy as to the time of Service in the Presbyterian Church in Canada, as computed by the applicant and your Committee, the Committee have taken the matter up with the Presbytery of Victoria in whose possession the credentials setting forth all services are. Your Committee would ask power to issue the matter on receipt of the necessary information as to actual service in the Presbyterian Church in Canada.

Your Committee have received from the Presbytery of Victoria a petition on behalf of the Widow of the late Rev. Donald MacRae, D.D. a graduate of the Presbyterian College, Montreal, and who served the Church as Pastor and Home Missionary for 38 years, but who was not a contributor to the Widows' and Orphans' Fund.

The Presbytery of Victoria overtures the General Assembly to place the name of Mrs. MacRae on the list of Annuitants and grant her as liberal an Annuity as the regulations under which the fund is administered will permit.

This being a special case, and in view of the circumstances in which this fund is placed in the present situation, your committee would recommend that Mrs. MacRae be paid an Annuity of \$200. until the completion of the new Pension Scheme, when the matter will be reconsidered.

The attention of your Committee has been drawn to the case of the Rev. J. P. McInnis of Lipton, Sask., whose name appears in the Assembly report of 1925, page 206 as an Annuitant for the sum of \$378.88.

In a letter of March 22nd, to Mr. McInnis, from Mr. J. K. Macdonald, Convener of the Aged and Infirm Ministers' Fund, he states:

"A letter has just come to hand from the Managing Board of the local congregation of the United Church of Canada, calling attention to several matters connected with you, and the annuity which you have been receiving from the Aged and Infirm Ministers' Fund, and which was granted on the ground of "infirmity."

"It is represented that you are not now infirm, but active and I gather in actual service, and specially active in your endeavour to cause injury to the local congregation of the United Church of Canada in Lipton.

"Various things are stated in the letter received, which I need not dwell upon, beyond saying that they, in my judgment, hardly comport with what may be expected from a Minister of the Gospel of Jesus Christ. You are entitled to your right of judgment in regard to the Union as well as to other matters, but it does seem strange as stated in the letter, that you were sent as a Commissioner to the Assembly last year, to vote for Union, and became a strong opponent of it.

"I should call attention to your having become connected with the above Fund without medical examination, which should have been made, and would have barred you from connection. You paid rates for but one year, only, and the next year you went on the fund as an annuitant, and have been receiving annuities now for some years. Surely these facts, in connection with your case, should lead you to a measure of appreciation of what was done for you, and temper your actions.

"Meanwhile I have authorized withholding your cheque for the current quarter, for the necessary enquiry to be made as to whether you are infirm or not, which will require to be determined by medical examination. In the meantime, without doing anything further in the matter, I am writing this letter.

"Asking for an early reply, and hoping that you will look at the matter with a dispassionate view and prayerful consideration, I remain

"Yours very truly,

J. K. MACDONALD,

"Convener."

J. K. MACDONALD,
Convener of Committee,
12 Richmond St. E., Toronto 2.

This letter, in the opinion of your Committee contains a very definite threat to pursue a certain course because of Mr. McInnis' attitude on the Union question, and which threat is a direct interference with the Civil and Religious Rights of Mr. McInnis.

We are informed that Mr. Macdonald has since retreated from his proposed action, but persists in his allegations that (in spite of Mr. McInnis' own statement to the contrary and a Doctor's confirming statement or certificate given a few weeks ago) Mr. McInnis is not an infirm man and is not entitled to be on the Fund.

Mr. Macdonald's information, we are informed, is that of a Methodist, or we should say United Church Minister, since removed.

In his last letter to Mr. McInnis, Mr. Macdonald, under date of April 3rd says:

"I shall consider it my duty to bring the matter before the Committee when it meets."

evidently with the intention of having Mr. McInnis put off the Fund.

Your Committee are of the opinion that Mr. McInnis having been placed on the Fund after full investigation by the Committee of which Mr. Macdonald is and was Convener, and approved by the General Assembly, and it is only the General Assembly who can deal with the matter and then only on proper investigation by the Presbytery of which he was a member and no Presbytery or Conference of the United Church of Canada has any jurisdiction over Mr. McInnis or any other non-concurring minister.

Your Committee, therefore, would ask that in the event of the Committee, of which Mr. Macdonald is Convener, taking any action in the matter, that your Committee be empowered to take the matter up on behalf of Mr. McInnis and any other non-concurring minister who may be placed in similar circumstances.

THE FUTURE

The problem of building up a new Pension Fund is a large and difficult one. The share of the Funds of the Aged and Infirm Ministers' Fund, and the Widows' and Orphans' Fund must be conserved to protect the rights of all claimants to either Fund, and until the completion of the work of the Federal Commission, and a thorough investigation by an actuary—we will not know the exact position of these funds.

Your Committee have carefully considered the situation and are unanimously of the opinion that we should proceed at once to build up a new Pension Fund, along the lines set forth in our report to the General Assembly of 1923, and approved by them, amalgamating the Aged and Infirm Ministers' Fund and the Widows' and Orphans' Fund; this plan, as submitted, to be subject to such amendments as our present circumstances require.

We therefore beg to recommend:—

That the Committee on the Aged and Infirm Fund and the Widows and Orphans Fund be directed to proceed with the plan as adopted by the General Assembly of 1921, and approved by them, subject to any adjustments necessary to meet the present changed conditions in the Church, and that the Committee be empowered to employ such actuarial and secretarial assistance as may be necessary to complete the plan for submission to the General Assembly of 1927.

The proposed plan as adopted by the General Assembly was as follows:—

PROGRESS REPORT 1921.

REPORT OF SPECIAL COMMITTEE APPOINTED BY THE GENERAL ASSEMBLY, JUNE, 1918, AND RE-APPOINTED, JUNE, 1919, AND 1920, CONSISTING OF THE MEMBERS OF THE AGED AND INFIRM MINISTERS' FUND, THE WIDOWS' AND ORPHANS' FUND TOGETHER WITH TWELVE MEMBERS NAMED BY THE ASSEMBLY

To the Venerable the General Assembly:

Your Committee, appointed in June, 1918, to take steps to provide an annual retiring allowance of at least \$1,000 per year for Ministers who had reached the age of seventy years, or who had given to the Church forty years of service, and an annuity of \$500 to Ministers' Widows, beg to report that in 1919 they submitted to Your Venerable Body the report of the actuary as set forth in the Assembly Minutes for that year, pages 214-219, which report indicated that to provide such annuities would require an Endowment Fund of \$4,315,000, together with an annual payment in respect of each Minister of the Church of \$130 per annum.

Your Committee, having carefully considered the whole question, submitted their report to the Assembly at Ottawa in June, 1920, page, 231, containing the following recommendations:

1. An assessment to be made upon every congregation to be based upon the stipend paid by the congregation, such assessment, together with the stipend, to be a first charge upon the revenue of the congregation.
2. All Ministers shall pay rates.
3. Interest from Endowments.
4. An amount to be allocated by the Finance Board to supplement the foregoing amount to the extent necessary.

5. That the General Assembly effect an organization to secure sufficient Endowments to carry out the proposed scheme of annuities in the near future.

(It is obvious that as the Endowments increase the strain on the Budget of the Church will be proportionately decreased).

6. That it be a regulation of the Church that every Minister at ordination be connected with the Pensions Funds by paying rates.

7. That the interests of those already connected with the present Funds be conserved.

The above recommendations were approved by the Assembly in the following terms:

"That the report of the Special Committee be adopted with general approval.

"That the Committee be re-appointed and authorized to take steps as may be necessary to consummate the amalgamation of the several funds—Aged and Infirm Ministers, Widows' and Orphans'—and to engage such secretarial and actuarial assistance as may be necessary, and to complete the scheme in its detail and report to next General Assembly for final approval."

In order to carry out this request of the Assembly of 1920, your Committee met on June 30th, 1920, and appointed an Executive consisting of the members of the General Committee resident in Toronto, together with Dr. D. R. Drummond, of Hamilton. During the fall and early part of 1921, several meetings of the Executive were held. On February 28th, 1921, a sub-committee of the Executive, consisting of Mr. Thos. McMillan, Dr. D. R. Drummond, Mr. Henry Sutherland and Rev. D. T. L. McKerroll, Convener, was appointed to prepare the details of the basis adopted by the Assembly of 1920.

This sub-Committee were fortunate in securing the services of Mr. Percy McLean an expert actuary, without charge, to work out these details in association with Professor M. A. MacKenzie, who prepared the report submitted to the Assembly in 1919, at Hamilton, whose report, together with recommendations, were submitted by the sub-Committee to the Executive, and afterwards with minor emendations, to the General Committee at their meeting held on May 6th, 1921.

Toronto, 25th. April, 1921

The Rev. D. T. L. McKerroll,
Victoria Presbyterian Church,
Toronto.

Dear Mr. McKerroll,—

In reference to the proposed increase in annuities for Aged Ministers and for Ministers' Widows, we beg leave to submit the following report.

We have taken as a basis the figures of Professor M. A. MacKenzie, with whom we have been associated in this matter, as contained in the General Assembly's Report of 1919, and have related them actuarially to the Plan, or Fourfold Report of 1919, and have related them actuarially to the Plan, or Fourfold Source of Revenue, as adopted by the General Assembly at Ottawa, in 1920, viz:

1. An assessment be made upon every Congregation, to be based upon the stipend paid by the Congregation, such assessment, together with the stipend, to be a first charge upon the revenue of the Congregation.
2. All Ministers shall pay rates.
3. Interest from present Endowment.

4. An amount to be allocated by the Finance Board to supplement the foregoing amounts to the extent necessary.

To carry out the above recommendation of the Assembly at London in June, 1918, it will be necessary, as Professor M. A. MacKenzie has shown, to have \$4,315,000 as a Capital Fund in respect of the future rights of the present body of Ministers who were included in his investigation and also to collect \$130 a year from, or on behalf of, each one of those Ministers.

The amount that would be necessary for the Church to raise annually in respect of the 1,765 Ministers from whom returns have been received would be as follows:

Interest on \$4,315,000 at 4 per cent.	\$172,600.00
1,765 Ministers at \$130 per year.	229,450.00
Total	\$402,050.00

According to the plan adopted by the Assembly it will be necessary to apportion this amount among the four sources of revenue, viz: Assessment on Congregations, Rates from Ministers, Interest on Endowment and Allocation from Budget.

The amount to be provided from each source, I take to be a matter of recommendation by the Committee to the Assembly, but by way of illustration I have used the following, viz:

PLAN No. I

1. Assessment on Congregations—6 per cent. of stipend. Total stipend paid by Church \$2,250.00 (about) 6 per cent. of \$2,250,000.	\$135,000.00
2. Rates from Ministers at 3 per cent. on stipend—3 per cent. of \$2,250,000.	67,500.00
3. Interest on present Endowment at 5 per cent.—5 per cent. of \$2,000,000 (about).	100,000.00
4. Amount required annually from Budget.	99,550.00
Total.	\$402,050.00

PLAN No. II

1. Assessment on Congregations—5 per cent. of stipend—5 per cent. of \$2,250.00.	\$112,500.00
2. Rate on Ministers at 2½ per cent. of stipend—2½ per cent. of \$2,250.00.	56,250.00
3. Interest on Endowment at 5 per cent.—5 per cent. of \$2,000,000.	100,000.00
4. Amount required annually from Budget.	133,330.00
Total.	\$402,050.00

PLAN No. III

Let us assume that the Church makes provision to supply pension to Ministers of \$750 per annum and \$375 per annum to widows.

Making the calculations on this basis the required annual revenue would be as follows:

1. Assessment on Congregations 5 per cent of stipend—5 per cent. of \$2,250,000.	\$112,500.00
2. Interest on Endowment at 5 per cent.—5 per cent. of \$2,000,000.	100,000.00
3. Amount from Budget annually.	89,038.00
Total.	\$301,538.00

In order that the total pension may amount to \$1,000 per annum for Ministers and \$500 per annum for widows, it would be necessary for the ministers during their period of service, to purchase an additional annuity of \$250 per annum in respect of Ministers and \$125 per annum in respect of widows. This could be done in one of two ways:

PLAN No. IIIa

Assess the 1,765 Ministers at a flat rate of \$57 per annum, future entrants into the Ministry to pay the exact rates for these two benefits according to the exact ages at ordination.

PLAN No. IIIb

Place an assessment on each of the 1,765 Ministers at the actuarial rate according to his age and the age of his wife. Illustrations of these rates are as follows, assuming five years to be the average difference in the age of Ministers and their wives:

Present Ages	Annual Premium for Ministers' Pensions of \$250 00	Annual Premium for Widows' Pensions of \$125 00	Total
30M.....	\$ 9 60		
25F.....		\$ 25 62	\$ 35 22
35M.....	12 98		
30F.....		28 85	41 83
40M.....	17 95		
35F.....		33 20	51 15
45M.....	25 65		
40F.....		38 87	64 52
50M.....	38 40		
45F.....		47 06	85 46
55M.....	61 88		
50F.....		58 75	120 63
60M.....	113 45		
55F.....		78 52	191 97
65M.....	281 48		
60F.....		129 08	410 56

It is quite evident from the above table that if the age basis is adopted in respect of the 1,765 Ministers it would make it impossible for the older men to make their payments, as at age 65 the amount would be \$281.48 + \$129.08 = \$410.56. The result would be that these men would not be able to go on the Fund.

In order to obviate this it is suggested that those of the 1,765 Ministers who are now over 55, and not on the old funds, should pay the rate at age 55, and that the annual deficiency resulting be made up in some other way, or a smaller annuity paid.

It is to be noted that under this general Plan No. 3, the equity of the Ministers on the present Aged and Infirm and Widows' and Orphans' Fund would be automatically conserved by their paying in the future the same rate which they have been paying heretofore, assuming that these rates are actuarially correct.

If the rates were not correct in any individual case, the future rate required would be the actuarial rate at the original age of entry into the funds.

If Section No. 5 of the Report adopted by the Assembly were realized in a sufficiently large way it would not be necessary to have any allocation from the Budget and the rates on Congregations and Ministers might also be reduced.

Respectfully submitted
(signed) P. S. McLEAN.

"These figures are, I believe, Canadian Government rates and should fairly well agree with Church experience. I am sure that the figures are correct."

"(signed) M. A. MacKENZIE."

At the meeting of the General Committee, and during the discussion of the whole matter, Professor M. A. MacKenzie was introduced to the Committee, and, after a brief discussion of the several plans, summed up his statement by saying that "if the Church will provide the funds as set forth in the report that the plan proposed is an excellent one."

Mr. McKerrroll then read again the letter from Mr. Thomas Bradshaw, a member of the General Committee, in which he stated that he had examined the proposed plan submitted to him by Mr. McKerrroll, and expressed his opinion that the suggested plan appeared to him to be feasible and practicable.

Mr. Percy McLean, who had been associated with Professor M. A. MacKenzie in preparing the report, also addressed the Committee briefly, concurring in what Professor MacKenzie had said, and likewise stated, in reply to a question by Mr. McKerrroll, that if the Church fulfilled the conditions of the proposed plan, "that it was absolutely O.K."

The report of the Executive was then unanimously adopted, together with the following recommendations:

1. That Plan No. 3 and 3b, in the Actuary's Report, be adopted, with the following emendations:
Section No. 1 of Plan No. 3 be amended as follows:
"Assessment of 5 per cent on stipend paid by Congregations or on salaries paid by Assembly or its Boards."
Section No. 2 of Plan No. 3 be amended to read as follows:
"Interest on all present endowments at 5 per cent, say \$100,000."
2. That a clause be inserted in the call that all Congregations having the services of a Minister, and paying stipend, be required to pay the percentage on stipend as set forth in Plan No. 3, viz., 5 per cent, and that this together with stipend, be a first charge on the revenue of the congregation.
3. That all Ministers not now connected with the funds by the payment of rates, now in the active service of the Church, up to the age of 45, be required to purchase one-fourth of the annuity of \$1,000 for Ministers and \$500 for widows, viz., \$250 per annum in respect of Ministers and \$125 per annum in respect of wives, according to the actuarial rate as set forth in the report, all over age 45 to be given the option of purchasing the whole of the one-fourth of the annuity or any one-fifth of either the Ministers' or Widows' Pension at the actuarial rate as set forth in the table attached.
4. That all Ministers now connected with the existing Aged and Infirm Ministers' Fund or Widows' and Orphans' Fund by the payment of rates shall be entitled to purchase annuities to the extent of \$250 from the A. and I. Fund and \$125 from the W. and O. Fund, at the same proportionate rate as they now pay as members of these respective funds.
5. That all Ministers at ordination and induction after the commencement of the operation of this proposed plan be required to buy their one-fourth of the whole annuity of \$1000, and \$500 respectively, viz., \$250 in respect of Ministers and \$125 in respect of wives, on the basis of the actuarial rate according to age, in order to participate in any benefit under the proposed plan.
6. That those recommendations are for purposes of illustration as showing the principles upon which the Pension Funds are to be conducted when the necessary Endowment shall have been provided and the required

Annual Revenue shall have been secured, but that before any distribution shall be made, rules and regulations shall be framed, and submitted to the Church through Presbyteries for approval and confirmation.

7. That the thanks of this Committee be extended to Professor M. A. MacKenzie and Mr. Percy McLean, for their very valuable and assuring assistance given to us.

The Assembly is also urged by the Committee to give effect, at an opportune time in the near future, to Section No. 5 of the Assembly's Report of 1920, viz.: "That the General Assembly effect an organization to secure sufficient Endowment to carry out the proposed scheme of annuities in the near future."

Respectfully submitted,

D. T. L. McKERROLL,
Convener, Sub-Committee.

J. K. MACDONALD,
Chairman Joint Committee.

PROGRESS REPORT—PENSION PLAN

PRESENTED AT PORT ARTHUR GENERAL ASSEMBLY,
JUNE 1923

HISTORICAL SURVEY

To the Venerable the General Assembly:

In response to an Overture from several Presbyteries praying that steps be taken to provide an annual allowance of at least \$1,000 for ministers who have reached the age of seventy years or who have given forty years of service and that ministers' widows be given an annuity of \$500 and that adequate provision be made for their children and orphans the General Assembly meeting in London, 1918, created a Joint Committee, consisting of the members of the Aged and Infirm Committee, Widows' and Orphans' Committee of the Western Section, the Widows' and Orphans' Committee of the Maritime Provinces together with twelve other men, to consider the entire problem of increasing the retiring allowance of ministers after the forty years of service to \$1,000 per year and widows to \$500 per year.

This Joint Committee determined to execute its task in a most thorough manner. Its first duty was to ascertain the facts. Through an elaborate questionnaire energetically pursued it obtained from 1,765 ministers of the Presbyterian Church in Canada the dates of birth, of ordination, of marriage, of birth of wife and of children. When the Committee were in possession of these facts they were analyzed scientifically by Prof. M. A. MacKenzie of Toronto University who furnished to the Committee the actuarial facts on which a sound solution of the problem in hand should be based.

These facts were presented by Mr. J. K. Macdonald in a Progress Report to the Assembly meeting in Hamilton in 1919 and revealed the fact that to place the plan on an actuarial reserve basis would require for the 1,765 ministers and their widows, \$4,315,000 together with a yearly premium from each minister of \$130.00 per year. This seemed to be impossible both in respect to the capital sum and also the premium required from Ministers.

The Committee continued its work during the year 1919-20 endeavoring to solve the problem to make the desired goal possible. The Committee took up the question of distributing the cost of maintaining the plan year by year. There were four possible sources of supply, the ministers themselves, the present endowment, the congregations and the General Church Budget.

Many in the Committee, especially the laymen, were emphatic that the congregations should bear an equal share with the ministers. After careful and thorough consideration the Committee submitted to the Assembly meeting in Ottawa, June, 1920, (Minutes of Assembly, page 231), the following recommendations as sources of revenue:—

1. "An Assessment to be made upon every congregation to be based upon the stipend paid by the congregation, such assessment together with the stipend to be a first charge upon the revenue of the congregation."
2. "All ministers shall pay rates."
3. "Interest on Endowments."
4. "An amount to be allocated by the (then) Finance Board to supplement the foregoing to the extent necessary."
5. "That the General Assembly effect an organization to secure sufficient Endowments to carry out the proposed plan of Annuities in the near future."
6. "That it be a regulation of the Church that every minister at ordination be connected with the Pension Fund by paying rates."
7. "That the interests of those already connected with the present funds be conserved."

The above recommendations were approved by the Assembly in the following terms:

"That the report of the Joint Committee be adopted with general approval.

"That the Committee be re-appointed and authorized to take such steps as may be necessary to consummate the amalgamation of the several funds, Aged and Infirm Ministers', Widows' and to engage such secretarial and actuarial assistance as may be necessary and to complete the plan in its detail and report to the next General Assembly for final approval."

PREPARATION OF DETAIL

In preparing the details as directed by the Assembly the Committee were fortunate in securing without charge the services of Mr. Percy McLean, expert Actuary, to work out the details in association with Prof. M. A. MacKenzie. The result of their work revealed the fact that a yearly sum of \$402,050 00 would be required to provide \$1,000 in respect of ministers and \$500 in respect of widows of the 1,765 ministers from returns received, which according to the plan adopted by the Assembly at Ottawa would be apportioned among the four sources: viz., Assessment on Congregations, Rates from Ministers, Interest on Endowment, and Allocation from Budget. It will be observed that one-fourth of the amount or \$250 in respect of Ministers and \$125 in respect of widows will be provided by ministers' rates and three-fourths will be provided from the other three sources; in other words, the Church would make provision to supply to ministers \$750 per annum and \$375 per annum to widows.

The Church's share of this total amount would be as follows:

1. Assessment on Congregations, 5 per cent of stipend; 5 per cent of \$2,250,000.....	\$112,500 00
2. Interest on Endowment at 5 per cent. 5 per cent of \$2,000,000.....	100,000 00
3. Amount from Budget annually.....	89,038 00
Total.....	\$301,538 00

In order that the total pensions may amount to \$1,000 per annum for ministers and \$500 per annum for widows it would be necessary for ministers during their period of service to purchase an additional annuity of \$250 per annum in respect of ministers and \$125 per annum in respect of widows. By placing an assessment on each of the 1,765 ministers at the actuarial rate, according to his age and the age of his wife the following would be the rates, assuming five years to be the average difference in the age of ministers and their wives:

Present Ages	Annual Premiums Ministers' Pen- sions of \$250 00	Annual Premiums for Widows' Pensions of \$125 00	Total
30M.....	\$ 9 60		
25F.....		\$ 25 62	\$ 35 22
35M.....	12 98		
30F.....		28 85	41 83
40M.....	17 95		
35F.....		33 20	51 15
45M.....	25 65		
40F.....		38 87	64 52
50M.....	38 40		
45F.....		47 06	85 46
55M.....	61 88		
50F.....		58 75	120 63
60M.....	113 45		
55F.....		78 52	191 97
65M.....	281 48		
60F.....		129 08	410 56

RECOMMENDATIONS APPROVED BY ASSEMBLY, 1921.
(Minutes of Assembly, page 224)

1. "That a clause be inserted in the call that all congregations having the services of a minister and paying stipend be required to pay the percentage on stipend as set forth in the above plan, viz., 5 per cent and that this, together with the stipend, be a first charge on the revenue of the congregation."
2. "That all ministers up to the age of 45 in the active service of the Church, not now connected with, by the payments of rates, be required to purchase one-fourth of the annuity of \$1,000 for ministers and \$500 for widows, viz., \$250 per annum in respect of ministers and \$125 per annum in respect of wives according to the Actuarial rate as set forth in the above table. All over the age of 45 to be given the option of purchasing the whole of the one-fourth of the Annuity or only one-fifth of either the ministers' or widows' pension at the Actuarial rate as set forth in the above table."
3. "That all ministers now connected with the existing Aged and Infirm Ministers' Fund or Widows' and Orphans' Fund by the payment of rates, shall be entitled to purchase annuities to the extent of \$250 from the Aged and Infirm Fund and \$125 from the Widows' and Orphans' Fund at the same proportionate rate as they now pay as members of these respective funds."
4. "That all ministers at ordination and induction after the commencement of the operation of this proposed plan, be required to buy their one-fourth of the whole annuity of \$1,000 and \$500 respectively, viz., \$250 in respect of ministers and \$125 in respect of wives on the basis of the actuarial rate according to age in order to participate in any benefit under the proposed plan."

AMALGAMATION OF PRESENT FUNDS

In accordance with the request of Assembly to take such steps as may be necessary to consummate the amalgamation of the Aged and Infirm, Widows' and Orphans, East and West, i.e., to amalgamate these various funds and from one central fund pay all the liabilities of these various funds and from one central fund pay all the liabilities of these according to present existing obligations, agreements or understandings between these funds and ministers and widows—the Committee took action and discovered the following fact:

That the Widows' and Orphans' Fund of the Maritime Provinces was incorporated by Act of Parliament and before any change could be effected all those connected with the fund would have to be consulted, their consent received and an Act of Parliament passed to legalize such action.

This matter, together with the status of other funds, was taken up by the Sub-Committee with Prof. M. A. MacKenzie who pointed out that the amalgamation of all the funds into one central fund was not necessary to make possible the operation of the plan. He showed that the identity of these various funds together with their committees could be maintained and included as integral parts of the larger plan; that these committees could operate their various funds and pay their several liabilities as they now do. The operation of the larger plan in its endeavor to reach the goal of \$1,000 and \$500 respectively would simply be increasing what these several funds are now doing. In this way no present fund would be disturbed and the interest of no person seem to be endangered.

CO-OPERATION OF MINISTERS

The one outstanding need of the new plan at the present time is the co-operation of the ministers of the Church. At present time only about one-half of the ministers are on the present funds and as these funds, as they now exist, are an integral part of the larger plan and as they now afford better protection for less money than can be procured in Canada from any insurance company, the duty for every minister not now connected with the Aged and Infirm and Widows' and Orphans' Funds is to connect at once. When the larger plan becomes operative they will automatically become part of the new plan.

Early in the fall of 1922 in order that we might get the plan forwarded as quickly as possible the Sub-Committee approached Prof. M. A. MacKenzie with a view of engaging him to take the supervision and direction of the plan so that everything would be done in a thoroughly sound and actuarial way. Prof. MacKenzie expressed his hearty approval of the whole plan laying particular emphasis on the 5 per cent. levy on the congregations. He thought this to be one of the most vital and important parts of the whole scheme and while it would take a little time to get all the congregations to accept this assessment yet it would be done as it has been elsewhere and would prove one of the basic elements in the whole plan. Prof. MacKenzie also told the Committee that he would be delighted to assume the expert supervision of the plan and furthermore he informed the Committee that he would so do without any charge to the Church, the only condition being that we should furnish such secretarial help as would be necessary in collecting all the detail and data in connection with the same. It was the purpose of the Committee to go forward during this past year but after due and careful consideration it was felt impossible to make any appeal either to congregations or otherwise last fall while the strenuous appeal was being made throughout the whole Church on behalf of the \$350,000 deficit. When the appeal for the deficit was over, then commenced the agitation in connection with Church Union and the Committee again felt that it would be unwise and inopportune to go forward in any way with the plan, until after the meeting of the Assembly. Your Committee are ready to go forward to carry out the instructions of the Assembly as soon as it is felt to be opportune.

Recommendations:—

1. That the Committee be continued and instructed to go forward as opportunity presents itself.
2. That every eligible minister in the Church now not connected with the present funds be requested to connect himself as soon as he possibly can as these funds are an integral part of the larger plan.

THOS. MACMILLAN,
Secretary.

D. T. L. MCKERROLL,
Chairman.

The above plan to be subject to such changes as the circumstances require.
All of which is respectfully submitted.

THOS. MACMILLAN,
Secretary, Pro tem.

D. T. L. MCKERROLL,
Convener.

BOARD OF SABBATH SCHOOLS AND YOUNG PEOPLE'S SOCIETIES

To the Venerable, the General Assembly:

It is with feelings of deep gratitude to Almighty God that the Board of Sabbath Schools and Young People's Societies presents its annual report to the venerable, the General Assembly. Perhaps no department of our Church's work suffered more than our Sabbath Schools during the recent upheaval through which we passed. In many congregations there was an organized "walk-out" of teachers and officers and a persistent effort is even yet being kept up to persuade the pupils to desert the Church where they received their Christian nurture. But in spite of all this, we are happy to be able to present a most encouraging report.

When this Board was appointed in June last, it found itself without records, office equipment or supplies with which to carry on its work. Nor was it possible to call together the Board for consultation. An Executive, consisting of ten members, was appointed and began the work of re-organization with great enthusiasm. The Convener undertook all the duties usually assigned to a Secretary, and the vestry of his Church became the office to which all communications were directed. Throughout the year his congregation released him from much of his pastoral work that he might give his attention very largely to the work of this Board.

On the recommendation of the General Assembly, negotiations were entered into with the Board of Christian Education of the Presbyterian Church in the United States of America. As a result, our Sabbath Schools have been supplied with the Westminster Lesson Helps and Illustrated papers. These have proven very satisfactory. Until the end of 1925 the Upper Canada Tract Society acted as Canadian Agent for the Westminster Publications, and the schools received their supplies direct from Philadelphia. On account of the high rate of postage on printed matter going to a foreign country, this was not satisfactory to the publishers, and a change in the method of distribution had to be made. The Executive then arranged for the issuing of a Canadian Edition of the Westminster Helps, and The Upper Canada Tract Society became the distributing agent of the Board. Since then the schools have been supplied from Toronto rather than from Philadelphia. As might be expected, there was some confusion in making this change, but in the course of a few weeks everything was running smoothly, and many letters have been received expressing keen appreciation of the service rendered. The issuing of a Canadian Edition of the Westminster Teacher has met with universal approval.

However, the Board has made a start at producing purely Canadian Lesson Helps. The Lesson Leaf, which is used more largely than any other Help, is now compiled by one of our number, Rev. N. A. MacEachern, and is printed in Toronto. Its reception has been most gratifying, and we trust it is only the beginning of a complete Canadian issue. Though much attention has been given to the question of Lesson Helps, the Board, through its Executive officers, has never ceased to emphasize

the importance of placing the Bible and Shorter Catechism in the hands of every scholar. All other literature, however good, must be secondary to these.

Almost the first work undertaken by the Board was the publication and distribution of a Programme and Supplement for Rally Day—September 27th. More than one hundred thousand copies were sent to Presbyterian Schools throughout the Dominion. Approval of this step was expressed on every hand and the programme itself was pronounced the best ever produced. The response of the schools to the appeal for an offering to enable the Board to assist needy schools, far exceeded what was expected. As a result, Lesson Helps and Illustrated papers have been sent to many places, and schools have been organized and are doing splendid work through this assistance.

From the very first, the Board decided to place greater emphasis than ever before, on the memorization of Scripture and the Primary and Shorter Catechisms. Our conviction is that such information will form the basis for the most intelligent Christian life, and for generations to come, prevent a recurrence of the disturbance that so seriously affected our Church one year ago.

A Pamphlet was issued last Autumn, outlining graded Scripture Memory Courses. Certificates, diplomas and seals were produced for all those who repeated the prescribed passages. This memory work is now receiving special attention in a very large percentage of our schools, and you will be interested in knowing that the Convener has presented more than 1200 awards since the middle of December. All of this must be very gratifying to those who realize the supreme place occupied by the Bible and Shorter Catechism in the foundation and growth of the Presbyterian Church.

That it might be possible to carry on the work without the use of Helps, a Lesson Book Mark, giving the title of each lesson, the Golden Text and Question in the Shorter Catechism for each Sunday, was issued.

As many Sabbath Schools make use of the lantern, requests came from all parts for lantern slides. Negotiations were entered into with the General Board of Religious Education of the Church of England, and the result was the establishment of a Presbyterian Lantern Slide department and the issuing of a catalogue. In doing this the Board has met a real need and the many orders received amply justify the undertaking.

Attention has also been given to the production of a distinctly Presbyterian Pin which may be used for Rallies, Church attendance, Promotion, Gifts, etc. The design adopted is The Burning Bush, and pins may now be procured in celluloid, bronze, silver or gold. These are also being produced in most attractive designs for ladies.

In many cities a New Year Rally of Sunday School children and young people was held with most gratifying results. A special programme was published and added much to the success of these gatherings.

The work most recently undertaken was the issuing of a programme for Mother's Day, entitled "Childhood and Mother". The fact that almost forty thousand of these programmes were purchased by the schools gives evidence of the appreciation of our constituency.

The Board has also given very special attention to the work amongst our Young People. The Executive unanimously agreed that a society founded on the principles of the Christian Endeavor would best meet our needs. Other organizations are providing for the athletic and mental requirements of young people. The Church must place the emphasis on spiritual development.

A Topic Card was compiled and is being used quite extensively. Study books were recommended. Young People's Rallies have been held in many Presbyteries and plans are now being completed for more of these next Autumn. A beautiful pin, including the Burning Bush, St. Andrew's Cross and the letters P.Y.P.S. (Presbyterian Young People's Society), has been produced and is available for all young people. A committee is at work compiling a constitution for organizations in the Presbytery and the local Church.

Much thought is also being given to the work amongst our teen-age boys and girls. There are many C.S.E.T. and C.G.I.T. groups in our congregations and where these are meeting the needs, the Board does not recommend any immediate change. But there is a considerable demand for some modification of the constitution that will make the training of these boys and girls more distinctly Presbyterian.

In accordance with our custom for a number of years past, religious instruction has been given to the Presbyterian students attending our Normal Schools during the past session. This class is not compulsory nor is it necessary for those taking the lectures to write on the examination. We are pleased to report that considerably over 250 students took the examinations and the marks obtained reflect credit on both the instructors and the pupils. The Board has issued a special certificate for Normal School Students and these have been sent to all successful candidates. We feel deeply indebted to Dr. E. L. Morrow of Ottawa, Revs. N. A. MacEachern and Stewart Parker of Toronto, Rev. E. J. Wilson of Hamilton, Rev. F. W. Gilmour of London and Revs. G. W. Rowland and G. P. Duncan of Stratford, who carried on this work in the different centres. During the coming session the Board hopes to have Religious Instruction given to Presbyterian students in every Normal School in the Dominion.

That the work of our Sabbath Schools and Young People's Societies may be carried on still more efficiently, the Board urges the organization of Teacher Training Classes. Text books bearing the imprint of the Presbyterian Church in Canada will soon be available, and a neat certificate has been prepared to be given to every candidate who passes the examination on any of the prescribed subjects.

The year just closed has been one of readjustment and reorganization. There have been very few discouragements but very many reasons for thankfulness. The Convener wishes to express his deep appreciation of the help rendered by every member of the Board and by the conveners of Synodical and Presbyterial Committees. Special mention must be made of Rev. N. A. MacEachern without whose devoted assistance much less would have been accomplished, particularly along the line of publications. Let the year that lies before us be one of consolidation and progress. It is the earnest desire of all that a flourishing Sabbath School and Young People's Society should be found in every congregation. That this may be accomplished, we bespeak for the Board, the continued hearty co-operation of every minister in the Church, and the abundant blessing of Almighty God, "Whose we are and Whom we serve".

SUMMARY OF STATISTICS

Owing to the fact that many of our Sabbath Schools lost a considerable number of teachers and officers, while many others were deprived of a place of meeting and therefore could not continue after June 10th, the following statistics will prove not only interesting but most encouraging. There was also considerable difficulty in getting complete returns. Statistical forms were not sent out in time to permit student missionaries to report before leaving the field, and owing to the scarcity of ministers, the many pulpit vacancies, the numerous changes of ministers and superintendents, a considerable number of schools are not reported. While every effort was put forth to make the returns as complete as possible, only those schools that actually sent in a report are here included. In no case were the figures of the previous year inserted.

REPORT OF SUB-COMMITTEE IN CONNECTION WITH THE WORK OF THE ONTARIO CHURCH PROPERTY COMMISSION

To the Venerable the General Assembly:

The General Assembly last year appointed a small sub-committee in connection with the work of the Ontario Church Property Commission. Mr. C. S. McDonald was appointed Chairman and Rev. J. W. MacNamara, Secretary of the Committee.

On account of the large number of applications filed with the Commission and the importance of safeguarding as far as possible the interests of the Congregations concerned, as well as to secure a proper and consistent presentation of our claims,—it was found necessary to engage Counsel to assist local Congregations and to guard our interests. Mr. D. L. McCarthy, K.C. was engaged as Senior Counsel and Mr. N. S. Macdonnell as Assistant; 152 applications in all were made to the Commission. Of these the great majority were made by our people—twenty-five applications were withdrawn. Of the cases heard the following is a summary of the results as set forth in the decisions of the Commission.

Places where recommendation was made.....	45
Places where vote invalid.....	9
Places where an order given.....	14
Places where withdrawn.....	25
Places re Manse property.....	25
Where no recommendation was made.....	31

149

Considerable dissatisfaction developed regarding the work of the Commission. Applicants expected relief that was not granted. This was due chiefly to the very limited powers granted to the Commission by the Ontario Legislature. Only in a small number of applications could the powers of the Commission be made effective. The Commission itself soon realized the sharp limits of its powers and undoubtedly was influenced by this, so that the number of recommendations made was smaller than would have been had the Commission been given wider powers.

In a number of cases the Commission found the vote declared to be in favor of Union to be invalid on account of various irregularities in the taking of the vote and recommended that another vote be taken under proper conditions. A number of recommendations intended to alleviate cases of extreme hardship were also made. It was found however, that there was no provision for taking another vote and no authority by which such could be done. It was also found that in a number of cases the recommendations of the Commission were ignored by the United Church concerned. Application was therefore made to the Ontario Legislature for amendments to the Church Union Act to meet the situation. As a result of negotiations conducted by a Joint Committee of Conciliation together with the Attorney General, the Hon. W. F. Nickle, settlement was secured in a few of these cases. How far the United Church will carry out the terms of settlement thus agreed upon, remains yet to be seen.

It is to be regretted, however, that in a great many cases of extreme hardship brought to the attention of the Commission and of the Legislature no relief whatever has been secured. •

An amendment was passed providing for a new vote in the case of Dalhousie Mills, South Lancaster, Conn, Richmond Hill, Burlington and Maple Valley, the vote to be taken under the direction of one of the Judges to be appointed by the Attorney General. There is also the provision that if an agreement is reached by the local parties a new vote need not be taken in those places.

With reference to the other places concerned where a recommendation was made by the Commission to relieve hardship the matter was left to local negotiations.

The work of the Ontario Commission has entailed upon the Church heavy expenditures for legal fees, salary and expense of the Commission etc., and while our Church has successfully opposed some Union applications as in the case of Stratford, and has secured some orders vesting Church property in Minority Groups, there remain many Minority Groups still in a position of extreme hardship for whom no relief has been obtained, and among these are to be found some outstanding instances of great injustice.

C. S. McDONALD,
Chairman.

J. W. MacNAMARA,
Secretary.

REPORT OF THE PRESBYTERIAN RECORD FOR 1925

To the Venerable the General Assembly:

The Presbyterian *Record* was established by the first General Assembly of the Presbyterian Church in Canada, in June, 1875, as its Official Medium, to take the place of the four Monthly Records of the four previously existing Presbyterian Churches. It was first issued in January, 1876, and with 1925, the year covered by this report, it has completed fifty years service for the Church, thirty-four years under the present management.

As with the Church which it represents, its fiftieth year has been a crisis in its history. Its extinction has been attempted by various means and, when all such means failed, it was declared dead and buried, for the Official Monthly Record of another denomination carries, each month, on its title page, the patent fiction—"The United Church Record . . . continuing . . . The Presbyterian Record".

It is a pleasure to report that the *Record*, like the Church which it represents, far from being extinct, is greatly prospering, and is received with an interest and welcome hitherto unknown. The reduction in circulation is much less than was expected. The average monthly issue for the year 1924, before its crisis came, was about fifty-three thousand copies. In the first half of 1925 it was about forty-four thousand, and for the balance of the year 1925, about forty thousand. The average monthly issue thus far, for the current year, 1926, has been a little over forty thousand, the mailing list standing at present at slightly above thirty-eight thousand, the balance being used, as in other years, for sample and special distribution.

The receipts for 1925, including a credit balance of \$765, were \$16,254, the expenditure \$16,874, leaving a debit balance of \$620.

This deficit is owing to two causes. First, the lessened circulation, with overhead expenses remaining the same, naturally increases the unit cost of production. A second cause of deficit is that some who discontinued it delayed giving notice to that effect, and then declined to pay for all they had received.

As was customary in former years, many—at the beginning of 1925—paid for the full year in advance. In June some who had thus paid for the year gave notice of discontinuance. Although these parties had entered into contract for the year and had no rightful claim to the return of part of their subscription, refund was at once made to a number of them, until it was found that others were declining to make payment for copies received, when, in justice to the *Record*, refund was discontinued. Some seventy cheques were sent out in refund totalling \$237.52.

The welcome the *Record* has received since June, 1925, and the kind and helpful words that have come, have made delightful its management and work beyond any other year, making it in reality as in time, a year of jubilee.

G. COLBORNE HEINE,
Convener.

EPHRAIM SCOTT,
Editor and Manager.

I have audited the accounts of *The Presbyterian Record* for 1925 and have found them correct.

REPORT OF COMMITTEE ON CORRESPONDENCE WITH OTHER CHURCHES

To the Venerable the General Assembly:

Your Committee begs to report that it has considered certain matters affecting the relations of the Presbyterian Church in Canada with other Churches.

DELEGATIONS TO ASSEMBLIES

The Commission of Assembly which met on February 2nd, 1926, in Toronto, adopted the recommendation of your Committee that Mr. Geo. H. Donald, Minister of the Church of St. Andrew and St. Paul, Montreal, and one of the Chaplains to the present Moderator of the Church of Scotland, should be instructed to convey our greeting to the Assemblies of the following Churches:

Church of Scotland.
United Free Church of Scotland.
Free Church of Scotland.
Presbyterian Church in Ireland.
Presbyterian Church of England.

Mr. Donald is at present discharging his commission, these Churches having signified their willingness to give him a cordial reception.

The Commission of Assembly also appointed the following representatives to bear our greetings to the Presbyterian Churches of this Continent:

Dr. J. Keir Fraser—to Pres. Church in U.S.
Dr. Jas. Wilson—to Pres. Church in U.S.A.
Dr. D. Perrie—to United Pres. Church.

Your Committee was further instructed by the Commission to prepare a letter of a cordial and also informative character to be addressed to those Presbyterian Churches to which representatives could not conveniently be sent. The text of this letter is given as an appendix to this Report.

Your Committee is of opinion that it is of vital importance to the Presbyterian Church in Canada to keep close contact in this way with other Presbyterian Churches and furnish them with accurate information regarding our standing and activities.

Further, in view of the fact that certain of the Presbyterian General Assemblies meet earlier in the year than our own, and that in justice to anyone sent to a distance as our representative the appointment should be made at such a time as will allow several months preparation for absence, your Committee requests that it should be authorized to arrange for such deputations to Assemblies as occasion may from time to time demand.

ALLIANCE OF REFORMED CHURCHES HOLDING THE PRESBYTERIAN SYSTEM

The General Assembly of last year recognized the importance of keeping the place of the Presbyterian Church in Canada in the Alliance by appointing as representatives to the meeting in Cardiff, Wales, Dr. A. J. Macgillivray, Mr. J. G. Potter,

and Mr. Thos. McMillan. These reported that, while the United Church of Canada was on application admitted to the Alliance, the continued existence of the Presbyterian Church in Canada was freely recognized, and its position was confirmed as a constituent member of the Alliance.

Accordingly your Committee has taken all possible steps to secure the participation of the Presbyterian Church in Canada in the continuation work carried on by the Western Section of the Alliance. The Section met in Atlantic City on March 2nd and 3rd, 1926. Our Commission of Assembly had previously nominated representatives additional to the three named above, viz., Dr. Ephraim Scott, Mr. Frank Baird, Mr. Stuart C. Parker, and Col. Jas. Chisholm. It was found that the appointment of these four had been made too late to entitle them to sit as constituent members of the Section. They were accordingly enrolled meanwhile as corresponding members. Your Committee recommends that the seven named, together with one other, be now formally appointed by the Assembly as members of the Western Section, eight being the number to which, on the basis of our communicant strength, this Church is entitled.

Along with the Western Section at Atlantic City were the accredited representatives of the General Council of Presbyterian and Reformed Churches. By consent of the Council at Cardiff these two bodies adopted the terms of a constitution by which the General Council is merged in the Western Section, their separate existence having ceased to serve any useful purpose. This step was taken subject to the approval of the Supreme Judicatories of the Churches, and your Committee recommends that the required approval be given by this General Assembly.

Reports were given at the meeting of the Section on the work of the Alliance on the Continent of Europe and in the East. Considerable assistance and encouragement have been given to our distressed Presbyterian brethren in the countries disorganized and impoverished by the War and post-War conditions; while the co-operative efforts of the Alliance in Mesopotamia have been richly blessed, and have shown what can be done by the Presbyterian Churches acting together in the Foreign field. For this work funds are necessary, and your Committee respectfully suggests that the General Assembly commend the cause to the Presbyterians of Canada.

Our delegates took a suitable part in the discussions of the Section, and were fully represented in the appointment of Committees.

A new system of assessment in connection with the finances of the Section is being worked out. This has been made necessary by the merging of the General Council of Presbyterian Churches with the Western Section. But for the present year the contribution sought is the same as for last year. The undivided Presbyterian Church in Canada made an allocation of Six Hundred Dollars for this purpose. As the allocation is made on the basis of communicant membership, the sum of Three Hundred Dollars would represent approximately the obligation of our Church for this year; and your Committee recommends accordingly that the Treasurer be instructed to remit that amount to the Treasurer of the Section.

Objection having been taken to the designation of our Church in the official publication of the Alliance as the "Continuing" Presbyterian Church in Canada, the attention of the General Secretary was drawn to the error, and intimation received of his intention to rectify it.

WORLD CONFERENCE ON FAITH AND ORDER

Your Committee has been in touch with the Business Committee of the World Conference on Faith and Order with a view to securing the continued participation of the Presbyterian Church in Canada in this great Conference, in which all Christian bodies, with the exception of the Roman Catholic Church, take part. In consequence

that Business Committee on March 12th, voted unanimously that "the Presbyterian Church in Canada be invited to send two representatives to attend the World Conference on Faith and Order, Lausanne, Switzerland, July 31 to August 21, 1927, and to participate in the discussions there."

The Business Committee has been somewhat freely criticised by certain members of other Churches on account of the fewness of the places provided for us. The United Church of Canada has appointed eleven representatives. The matter is not yet closed. Your Committee recommends that meanwhile two delegates should be named, the question of further representation being left for consideration, if necessary, by next General Assembly.

WORLD ALLIANCE FOR PROMOTING INTERNATIONAL FRIENDSHIP THROUGH THE CHURCHES

This important movement, inaugurated at the opening of the Great War, is now gathering ground in all countries, and in Great Britain has attained considerable strength. No Councils of the Alliance yet exist, however, in the British Dominions. In Canada the matter has been taken up with praiseworthy zeal by the Anglican Church, and a Committee formed to deal with it. Your Committee on Correspondence accepted the invitation to be present informally at a combined meeting of the Anglican Committee and interested persons from other Churches. At that meeting the following resolution was adopted unanimously:

"That this conference representing various Churches of Canada, believing in the principles and objects of the World Alliance for Promoting International Friendship through the Churches, would urge upon the Supreme Court of each Communion the importance of the formation of a Canadian Council of the Alliance."

Your Committee was requested to bring this important project to the attention of the General Assembly, with the suggestion that the Assembly commend it to the sympathetic consideration of all Presbyterian people, and give to the Committee on Correspondence authority to appoint to a Canadian Council, when formed, representatives in such numbers as may be required by the rules of such Council. This recommendation your Committee cordially makes, realizing that it is of the utmost consequence to the Presbyterian Church in Canada that it should manifest its interest and play its customary part in all movements whose aim is the purifying and sweetening of human life.

RECOMMENDATIONS

Your Committee begs to make the following recommendations:

1. That the Committee on Correspondence be authorized to arrange for deputations to other Churches as occasion shall arise.
2. That this General Assembly appoint as its representatives to the Western Section of the Presbyterian Alliance the seven members already named by the Commission of Assembly, together with one other.
3. That the Assembly formally ratify the amalgamation of the Western Section and the body known as the General Council of Presbyterian and Reformed Churches.
4. That the Assembly commend to all Presbyterian people in Canada the relief and missionary work prosecuted jointly by the Presbyterian Churches of the world.
5. That the Assembly authorize the Treasurer of the Church to remit to the Western Section of the Presbyterian Alliance the sum of Three Hundred Dollars as the contribution of our Church to the funds of the Section.

6. That the Assembly appoint two delegates to represent our Church at the World Conference on Faith and Order, to be held in 1927.
7. That the Assembly commend to all our people the movement for Promoting International Friendship through the Churches; approve the formation of a Canadian Council of the movement; and authorize the Committee on Correspondence to nominate representatives to such Council when requested to do so.
8. That the Assembly add to the Committee on Correspondence the following:—Mr. George H. Donald, (Montreal); Maj.-Gen. J. T. Fotheringham, (Toronto); Mr. John McNab, (Midland); Mr. J. Wasson, (Toronto); Mr. Samuel Farley, (Regina); Dr. Colin Kerr, (Halifax); Mr. Hugh Munroe, (Cornwall); Dr. Perrie, (Wingham); Dr. A. J. Macgillivray, (Guelph); Mr. Thos. McMillan, (Toronto); Col. Chisholm, (Hamilton); Mr. Robt. Johnston, (New Glasgow).

Convener

APPENDIX:

LETTER OF GREETING TO PRESBYTERIAN CHURCHES

"The Presbyterian Church in Canada desires to convey its cordial greetings to the brethren of . . . Church, with the assurance of our affection and esteem.

"The recent action of a section of our brethren in Canada in uniting with the Methodist and Congregational Churches has seriously injured our work and has raised for us many difficult problems.

"But we acknowledge with gratitude to Almighty God that the disaster caused by Church Union in our Dominion has left the Presbyterian Church in Canada still strong in numbers and with a richer spirit of consecration than any among us have ever known in the past. There remain with us 154,000 communicants, 1100 congregations, and nearly 600 ministers, and daily these numbers are being increased. The two chief Colleges of the Dominion have been secured to us by law, and the devotion of our young men has removed anxiety as to the future supply of ministers. A Government Commission is charged with the division of the general assets of the Presbyterian Church between the United Church and ourselves; our Foreign Mission work is being restored as rapidly as circumstances permit; our Home Missions will soon return to normal; we have embarked upon a vigorous Church Extension scheme; and, altogether, we are confident that by the blessing of God we shall return in a very few years to our former influence and effectiveness.

"We send this letter in the assurance of your brotherly interest in our condition. We shall gladly welcome any of the brethren who may visit our General Assembly on your behalf. We ask for your prayers, and we ourselves pray for your continued prosperity.

"(Signed) J. W. MACNAMARA,
Clerk to General Assembly.

"Convener of Committee on Correspondence."

Sederunt.—Rev. R. Johnston, Moderator; F. Baird, Clerk; W. M. Townsend, W. B. Muir, D. O. MacKay, *et al.*

Mr. Townsend pointed out to the Synod the danger of the interests of our Church being adversely affected by the propaganda among the immigrants by the Chaplains of other branches of the Church; and urged the activity of the Church in welcoming and assisting such immigrants and gave the name of Miss Cora Sinclair as one well fitted to take up such work in the port of St. John.

The Moderator spoke along the same line and gave the name of a lady well fitted to carry along work on similar lines in Halifax.

Upon the advice of the Chairman of the Assembly's Board of Administration, and as a result of general discussion, it was moved by Dr. Quigley, seconded and resolved, that the Synod overture the General Assembly with regard to the Port Chaplaincy matter, and that, in the meantime, the Synod's Committee confer with the Assembly's General Board of Missions and with an executive of the Women's Missionary Society, Eastern Division.

WHEREAS it has come to our attention that Presbyteries are making nominations for Principalships and to Chairs in our Colleges;

AND WHEREAS it is of the utmost importance that the men who graduate from our Colleges be men well grounded in the Word of God, and trained in all the work of the Ministry that they may become leaders in their respective communities;

THEREFORE the Presbytery of Brandon is strongly of the opinion and would respectfully urge that no men be appointed either as Principals or Professors in any of our Colleges, unless they are men sound in the faith and true to the standards of our Church—the Bible, the Westminster Confession of Faith, the Larger and Shorter Catechisms, without mental reservations.

Unto the Venerable, the General Assembly of the Presbyterian Church in Canada, indicted to meet at Montreal, and within Knox Crescent Church there, on the first Wednesday of June, one thousand nine hundred and twenty-six.

Unto the Venerable, the General Assembly of the Presbyterian Church in Canada, indicted to meet within Knox Crescent Church, Montreal, on the first Wednesday of June next.

WHEREAS in view of the crisis through which our Church is passing, and in view of the conditions of unrest and disruption which prevail in our beloved Church, as well as in other denominations, both in Canada and the United States, because of the unscriptural teaching in the leading Theological Colleges;

THEREFORE, the Session of St. Paul's Church, Peterborough, respectfully overtures the Venerable, the General Assembly to exercise extreme care in the choice of professors for our Colleges so that the teaching of these Colleges may be in harmony with the declared faith of our Church, and the spiritual welfare of our people may be safe-guarded.

No. 7.—PRESBYTERY OF MOOSE JAW

Re SOLEMNIZATION OF MARRIAGE

At Maple Creek, and within Robertson Memorial Church Manse there, on the seventh day of April, in the year one thousand nine hundred and twenty-six, at eight o'clock in the evening, the Presbytery of Moose Jaw met and was constituted with prayer.

Inter alia.—The following Overture to the General Assembly was, on motion by the Clerk, and seconded by Mr. T. S. Covil, received and ordered to be forwarded to the Clerk of the General Assembly:

To the Venerable the General Assembly of the Presbyterian Church in Canada.

WHEREAS the Presbytery of Battleford, in the year 1919, overtured the Synod of Saskatchewan regarding alleged irregularities in connection with the solemnization of marriages by ministers not in the service of the Church; the prayer of said Overture being "that ministers who are solely engaged in the work of the Church should alone have the privilege of performing such offices," and

WHEREAS said Overture was approved by Synod and forwarded to the General Assembly, and

WHEREAS that General Assembly declined to grant the prayer of said Overture, and

WHEREAS on account of such alleged irregularities, the Legislative Assembly of Saskatchewan, on February 4th, 1920, amended *The Marriage Act* by placing all responsibility as to ministerial qualifications for solemnizing marriages upon the religious denomination to which the several ministers belong and requiring the executive body representing each and every denomination within the Province, to file with the Commissioner of Vital Statistics at his office, every six months or oftener if required, a certified list of all its ministers, resident within the Province, who are authorized to perform the marriage ceremony, and

WHEREAS judicial functions are conferred upon ministers by the Church at ordination, including the right to perform the marriage ceremony,

WHEREAS according to the Declaratory Act of our Church, a minister who withdraws from the work of the ministry and engages in a secular profession or business, to which he devotes his full time and from which he derives his livelihood, he hereby forfeits for the time being, his judicial functions and disqualifies himself for constituent membership, as a minister, in the Church courts,

THEREFORE the Presbytery of Moose Jaw humbly and earnestly overtures this General Assembly to take such action as will make clear to the lower courts of the Church, whether a minister who has thus forfeited his right to exercise his judicial functions in the Church has, by that same act also forfeited his authority to give legal effect to a marriage license issued by State authority.

ROBERT HONEYMAN,
Clerk of Presbytery.

Inter alia.—The Presbytery agreed to transmit the following Overture to the General Assembly:

Unto the Venerable the General Assembly of the Presbyterian Church in Canada, indicted to meet at the City of Montreal, Quebec, on the first Wednesday of June proximo.

WHEREAS it has come to the attention of this Presbytery that a considerable number of one time Presbyterian Ministers who voted Union failed to maintain and defend the standards of the Church and have followed divisive courses to the great detriment of the Presbyterian faith, and are going in considerable numbers to the United States and other countries, and there entering and being called to Presbyterian pulpits. We respectfully overture the Venerable the General Assembly to take such steps as it may deem necessary to call the attention of the Presbyterian Church throughout the world to this serious menace and to warn them of the irreparable loss and injury such men have caused the Presbyterian Church in Canada, advising all such Churches that these men have now no standing within the Presbyterian Church in Canada, and that by Act of Parliament they, with certain others have been incorporated into a new denomination known as the United Church of Canada.

1. THAT the Presbytery of Guelph respectfully overture the venerable the General Assembly to direct the Clerks of Assembly to provide a list of available candidates, with their addresses, and to furnish interim Moderators, on application, with copies of the same.

2. WHEREAS the Church is being greatly handicapped through lack of information regarding the work of the Church, the Presbytery of Guelph respectfully overture the venerable the General Assembly to devise some means whereby current news of the church may be more frequently and thoroughly disseminated.

3. THAT WHEREAS grave danger to Presbyterianism lies in the appointment of the members of Standing Committees of the General Assembly from any one area, the Presbytery of Guelph respectfully overtures the venerable the General Assembly to direct that all Synods of the Church be adequately represented on each Standing Committee of the Assembly.

4. THAT the following petition from the session of Knox Church, Guelph, be sent forward to the venerable the General Assembly, simpliciter:

"WHEREAS the Commissioners to the General Assembly of the Presbyterian Church in Canada should have the full confidence of the congregations they are supposed to represent.

"AND WHEREAS in the recent vote under the United Church of Canada Act it was shown clearly and unmistakably that many Commissioners in the past Assemblies did not truly represent the congregations by whom they were appointed, but, on the contrary held views on questions of vital importance to their Church at variance with the majority of their fellow-members.

"AND WHEREAS it is desirable that the method of appointment that made such misrepresentation possible should be changed so as to ensure proper representation in the future.

"BE IT RESOLVED that this Session petition the Presbytery of Guelph to overture the venerable the General Assembly to take whatever action may be necessary that the election of all Commissioners except Ministers, be approved and ratified by a two-thirds vote of the congregation."

These recommendations were considered seriatim and adopted and the report as a whole was adopted.

REPORT OF COMMITTEE ON INFORMATION

To the Venerable the General Assembly:

This committee was appointed by the Commission of Assembly on the recommendation of the Committee on Correspondence with other Churches to disseminate information regarding the Church and to correct inaccurate impressions regarding its situation and strength.

The work covers an enormous field, both at home and abroad. The daily and weekly newspapers of the Dominion must be supplied with adequate and accurate information regarding Presbyterian activities, while, in order to safeguard our relations with other Churches, informative articles must be supplied to religious journals both on this Continent and in Europe. Immigrants, also, must be provided with a just and proper conception of the Presbyterian Church in Canada, that we may secure the membership of our Presbyterian newcomers. This demands a sufficient Canadian Press publicity, as well as the issue of literature at the ports, which the Mission Board of our Church purposes to provide.

Your committee has taken such steps as were possible under present circumstances to fulfil the terms of its remit. Items of interest have been supplied to the daily newspapers; for a time an article was written weekly for the weekly papers; while one article was prepared explaining our attitude to the recent Church Union, and published in such religious journals as would accept matter from our hands.

The committee, however, has laboured under serious difficulties: no funds have been available, and without expenditure publicity work cannot adequately be carried on; there has not been any organization in the various parts of the Dominion for supplying material to be written up; the Committees and Boards of the Church have had no instruction to release matter with which the Committee on Information could deal, although much of considerable news value comes to the surface at every meeting; and, finally, there has been no one specially engaged for this work and remunerated for his services, although it is apparently impossible on account of the time and labour involved to carry it through on a purely voluntary basis.

Your committee therefore begs respectfully to make the following recommendations:

- (1) That the present committee be thanked and discharged.
- (2) That the Assembly appoint a new committee of persons for one year so situated as to be able to meet frequently and conveniently.
- (3) That the Assembly instruct Presbyteries each to appoint a small local Committee on Information, to supply news to the local press, and to the central committee for wider distribution.
- (4) That the Assembly should appoint a Secretary to the Central Committee, to hold office one year, who shall give adequate time to the carrying out of the committee's plans, and who shall receive a suitable honorarium for his services.
- (5) That office room and facilities should be provided for this work at the offices of the Church, or elsewhere.

The committee wishes to draw attention to the importance of the whole matter as a factor in the growth of the Church and in its recovery from the crisis through which it has recently passed.

STUART C. PARKER,
Convener.

REPORT OF THE COMMITTEE ON ARCHITECTURE

To the Venerable the General Assembly:

Under the present circumstances of the Church, the committee appointed by the General Assembly of last year to advise congregations on the subject of Church architecture, has felt that a more than usually heavy and important task was laid upon it. Normally the number of new Churches being built is comparatively small. To-day a great many congregations and groups are contemplating building operations, and the possibility of useful service presented to the Committee on Architecture is correspondingly increased.

The first task therefore, to which the committee addressed itself was the enlargement of its own membership. Only three members had been appointed by the Toronto Assembly, viz., Dr. Murray MacLaren, M.P. (*Convener*); Dr. A. S. Grant, and Mr. Thos. Rodgers of Toronto. These, feeling themselves unable to undertake the work alone, and being unwilling to lose one year, took the liberty of associating with themselves the following:—Principal D. J. Fraser, Dr. A. J. MacGillivray, Dr. Robt. Johnston (New Glasgow), and Messrs Stuart C. Parker, T. Crawford Brown, T. B. McCorkindale, Bruce Muir, and J. Jones Bell, (Ottawa). The Convener and original members respectfully request this Assembly to endorse their action in so enlarging the committee as without such a step being taken nothing could have been accomplished throughout the year.

The committee so constituted has met several times both in sections and as a whole, and the Report which is here presented to the Assembly is the unanimous judgment of its members.

The distressful experience through which the Presbyterian Church in Canada has passed has already begun to yield its compensations. These are found in many parts of the life and work of the Church, as the reports of the Assembly's Committees all indicate. Our people have found a new zeal and a deeper consecration in their recent sorrows. But nowhere is this fresh spirit more manifest than in the renewed interest and purified taste of Presbyterian people in the matter of Church Architecture. The conviction has come spontaneously to lovers of the Church in all parts of the Dominion that many of our church buildings hitherto have been such that no one, except those bound to them by tender associations, could regard them as having a solemn grandeur in keeping with the great Name of Him who is worshipped in them. Our people have also begun to realise the fact that the very churches they have been building have been in too many cases identical in structure and internal arrangement with those of the religious bodies with which they have declined to unite; and the feeling has grown that, with Churches the same in all particulars as Methodist and Congregationalist Churches, and services very much the same as theirs, it was only to be expected that many Presbyterians should be predisposed to believe that between the Presbyterian Church and those others there was no real difference at all. With this realization there has come a determination in our people to have done with the glorified Lecture Hall, and to build hereafter Churches at whose doors men will have the impulse to uncover their heads, and of which even the passing stranger will say—"This is none other than the House of God."

Already, without any suggestion from your committee, congregations have erected sanctuaries which will be a glory to the Presbyterian Church in Canada. Renfrew, under the inspiration of the late Mr. Glassford, has completed a beautiful church of gray stone, having a chancel with a noble approach by way of a centre aisle, a timbered roof of much dignity, and handsome panelling. The seating capacity

is just under 500. Regina and Winnipeg are giving a great lead to the west. The plans of the Regina church, which will seat over 800, show a magnificent Gothic building consisting of a nave, two transepts, and a well-proportioned chancel; while the Presbyterians of Winnipeg purpose to build a similar but larger church which, with due care in the working out of its details, will be a veritable cathedral, and an ornament to Canadian Presbyterianism.

Elsewhere the same spirit is manifesting itself, and your committee has been bombarded with requests for plans from which churches of such a truly ecclesiastical character might be built. To small communities in particular it is of the utmost importance that plans should be available at a low cost, and the small groups are as anxious as the large ones to have worthy sanctuaries. But your committee has been powerless. Advice has been given; but the people clamour for working plans as well as advice, and unless the Assembly will put the committee in a position to furnish such plans, the committee cannot function, and may as well be discharged.

The cost of acquiring sets of plans for three sizes and types of churches is not excessive. Your committee has sought professional advice on the matter, and has found that \$500. would almost suffice. It is purposed, if the Assembly will give the necessary authority and such a sum, to acquire as the property of the General Assembly's Committee perspective drawings and preliminary diagrams of the following:

- (a) A church to seat 125 and capable of being built in wood. This is for very small congregations.
- (b) One to seat about 250, to be built in wood or brick.
- (c) One to seat about 500, to be built either in brick or stone.

In every case the church, while distinct from all others, yet would be of a character similar to the Renfrew Church, the church at Oakville, Hespeler and others, and the cost would in every case be reduced to a minimum. Thereafter, having such plans in its possession, the committee would lend the necessary papers and pictures to each congregation applying to it: the congregation having chosen the plan on which it wished to proceed would send full details as to the nature of the site on which the building would be erected: individual working prints would then be made at a very low cost for the particular congregation, so that the work could immediately be undertaken by the builders employed by the congregation. In this way the cost of the enterprise would be considerably reduced for the congregation, while at the same time it would get a church fitly designed and would be protected from the perils which in this matter are ranged thick around the unwary or inexperienced.

This is the plan which your committee with entire unanimity submits to the judgment of the Assembly.

The recommendations made are as follows:

- (1) That the Assembly urge all congregations contemplating the erection of a church to avail themselves of the services of the Committee on Architecture, and further instruct all Presbyteries to guide their congregations accordingly.
- (2) That the sum of \$500. be placed at the disposal of the committee to acquire the necessary pictures and plans of churches such as are described in this Report.

Convener.

REPORT OF COMMITTEE ON REVISION OF BOOK OF RULES AND FORMS

To the Venerable the General Assembly:

Prior to last General Assembly a Committee of the Presbyterian Church Association addressed itself to the revision of the Book of Forms.

The committee presented to the General Assembly a Report of which the following clauses were adopted.

- (1) That a Special Committee be appointed with instructions to investigate the whole matter and to report to next General Assembly, suggested changes to be sent down to Presbyteries for information by February 1st, 1926.
- (4) That all Standing Rules of the Boards of the Church be remitted to the respective Boards for consideration, with power to amend these as they shall find practicable, and to report through the Committee on the Revision of Forms to the next General Assembly.

The Assembly unfortunately rose without appointing the Special Committee here mentioned to carry out the terms of the resolutions.

The omission was supplied by the Commission of Assembly which met in Toronto in February 1926, and a committee was appointed to report to this General Assembly.

The committee accordingly begs leave to report that it has made such progress as the circumstances of the past year have allowed. The work, however, is of such a character that no gain but rather loss could be the result of attacking it hastily. There is a unanimous opinion that the Book of Forms is in need of revision, but the committee is equally unanimous in its opinion that ample time and thought must be given to the work and the remit renewed from time to time by the Assembly until it is completed.

There are, nevertheless, certain matters on which, as it appears to the committee, the Assembly ought to take immediate action.

The composition of next General Assembly must be settled before the rising of the present one; and your committee is of opinion that, in view of the gradual increase in the number of ministers and sessions, the policy should be to return as early as possible to the ratio established in the Act Constituting the General Assembly, viz., one in six, and that for the Assembly of 1927 the ratio should be one in four.

Another and most important subject considered by your committee and brought to the notice of the General Assembly for immediate action, is the composition of the Presbyteries of the Church. At present, in terms of certain Declaratory Acts passed at various times, membership of the Presbytery has been extended far beyond the limits of strictly Presbyterian usage, with the effect of weakening the link between the Presbytery and the congregations and opening the way for abuses, of which the Presbyterian Church in Canada has had no little experience. Accordingly your committee respectfully recommends the repeal of certain Acts of previous Assemblies, the passing of an Interim Act providing for a return to former usage, and the reference of the terms of such Act to Presbyteries for their judgment in accordance with the Barrier Act; all of which is set forth particularly in the Recommendations following this report.

Your committee is also of opinion that a modification should be made at once

in the mode of electing the Moderator of the General Assembly. The present practice of conducting the entire proceeding at the first sederunt is attended with several difficulties. It results in the Assembly opening in an atmosphere of contest. Again, from the uncertainty attending the election, the Moderator has no time to refresh his mind on the business and procedure of the Assembly, or to prepare such utterances on behalf of the Church as it is the part and duty of the Moderator to make. Further, the present practice makes it possible for a bare majority of commissioners (the commissioners themselves being but a fraction of the Presbyteries), to elect one for whom the Presbyteries, if consulted, might not give a majority. Your committee proposes, therefore, a revision of the mode of procedure which will remove all such difficulties, while at the same time conserving the right of each assembly actually to elect its own Moderator.

Your committee is also of opinion that the entire Book of Forms should be revised and re-issued, the present circumstances of the Church having rendered portions of the book obsolete, and the experience of the Church having revealed the necessity of changes of various kinds. All of such changes should be reported to the General Assembly, and certain of them might be of a constitutional nature coming within the scope of the Barrier Act. The work is one for which there is a distinct call, and the Assembly is requested to give the necessary authority for its immediate commencement, as it is likely to occupy considerable time.

It was further remitted by last General Assembly to the Special Committee on Revision to report on behalf of the Boards of the Church the changes in Standing Rules which such Boards were authorized to prepare. Two Boards are involved, viz., the Board of Home Missions, and the Board of Trustees of the Church and Manse Fund, which latter seeks to be known hereafter as the "Church Extension Fund of the Presbyterian Church in Canada." A number of alterations in the Standing Rules of these Boards have been made in accordance with the exigencies of the present time. These are given in an appendix to this Report. They have not been reviewed by the Committee on Revision, as no instructions to pass upon them were given to that Committee. But they are reported to the Assembly as the fruit of the experience of the Boards themselves, together with a recommendation which to your committee appears appropriate in the circumstances.

All of which is respectfully submitted with the following recommendations:

- (1) That the Assembly rescind the Amendment, passed last year, of the "Act Constituting the General Assembly;" and that the Act be further amended by substituting in the first and second clauses the words *four* and *fourth* for the words *six* and *sixth* wherever they occur.
- (2) That the Assembly pass as an Interim Act, and meanwhile send down to Presbyteries under the Barrier Act the following amendment of the constitution of Presbyteries:

"The Presbytery consists of: (1) Ordained Ministers within the bounds: (a) All ordained ministers who are pastors of congregations; (b) all ordained ministers who have been appointed to mission fields for not less than one year with the sanction of one of the Assembly's Boards; (c) ordained ministers whose names, at the Presbytery's request, have been ordered by the Assembly to be placed upon the roll for reasons stated in the request; (d) one professor, being also an ordained minister, to represent the Faculty of any College of the Church within the bounds, and to be elected by the Faculty; (2) Ordained Elders: (a) one from each pastoral charge or mission field in which is an organized Kirk Session; (b) a sufficient number of Elders to make the Elders on the roll equal in number to the ministers thereupon, the said elders to be chosen by the sessions annually, assuming the privilege in rotation, and each session to whom the privilege for the year shall belong electing one."

"All other ordained ministers within the bounds, and ministers ordained by the Presbytery for work in foreign fields where there is no local Presbytery of this Church, shall be placed upon an Appendix to the Roll."

- (3) That, pending a decision upon the foregoing under the Barrier Act all constitutional rules or amendments thereof at variance with the Interim Act be declared of no effect.
- (4) That the Special Committee on Revision be authorized to revise the entire Book of Forms. To print, if necessary, matter which is the subject of correspondence with Presbyteries, and to report to next General Assembly.
- (5) That the Home Mission Board, be authorized to operate under the Standing Rules set forth in the appendix to this report, as far as practicable, until next General Assembly, and that the Board of Administration be instructed to perfect rules for the Board of Trustees of the Church Extension Fund.
- (6) That Rule 113 of the "Rules and Forms of Procedure" be amended so that from the fourth sentence onward it shall read as follows:

"The General Assembly elects its Moderator immediately after the Assembly has been constituted, and the person elected then takes the chair. The Assembly shall consider a nomination made in the following manner:

Each Presbytery shall through its Clerk before the 31st day of December in each year transmit to the Clerks of Assembly the name or names of a minister or ministers nominated in such Presbytery for the office of Moderator of the General Assembly, together with the judgment of the Presbytery thereupon, and, if a vote has been taken, the number of votes recorded for each.

The Clerks of Assembly shall then summon a court consisting of the past Moderators of the General Assembly, (being still ministers of the Presbyterian Church in Canada), and such Court shall from the names submitted by Presbyteries nominate to the General Assembly at its next meeting that one which they judge to have the most general approbation of the Presbyteries.

The minister so nominated shall be notified of such nomination before the first day of February next ensuing."

All of which is respectfully submitted.

Vice-Convener.

Convener.

Salaries are made payable to the men but sent to the Home Mission Conveners.

Men receiving appointments should be certified by Presbyteries as to their standing and qualifications and acceptance of our standards.

FIELDS

A grant may be withheld when congregations are in arrears in payment of stipend until such is made up.

2. *Ordained Mission Fields*, requiring an ordained missionary shall apply through Presbyteries to the Assembly's Board of Missions.

REPORT OF BOARD OF ADMINISTRATION

To the Venerable, the General Assembly of the Presbyterian Church in Canada:

The Board of Administration, in submitting their report for the period commencing June 10th, 1925, and ending January 31st 1926, would render their sincere thanks to God for the spirit of loyalty manifested by the Church to the cause for which we have been standing, and for the manner in which the Church has responded to the first Budget appeal made since June 10th last, when many of our friends withdrew from us and entered the United Church of Canada.

The Budget sent down to congregations, covering the work of the Church to the 31st of December, 1925, was for the sum of \$250,000.00.

Owing to the very unsettled state of the Church and its work during the time of readjustment following the 10th of June last, your Board found it a somewhat difficult task to submit a Budget that would meet, in every respect, the need of the Church in such circumstances as existed at that time.

The Budget as submitted was for the sum of \$250,000.00 covering the sum estimated as necessary to cover the maintenance of the work for which we are now responsible, such as grants required in Home Mission work, Augmented Charges, Ordained Mission Fields, Minority Groups, salaries of Foreign Missionaries remaining loyal to the Church, travelling expenses of Missionaries to and from their fields at home and abroad, Educational work, Benefit Funds such as the Aged and Infirm Ministers Fund, the Widows and Orphans Fund, the work of Sabbath Schools and Young Peoples Societies, expenses of Assembly Committees, salaries of officials and staff, rent of offices, equipment, and other incidental expenses necessary in the present situation.

We are glad to report, as will be noted from the statement of the Treasurer submitted herewith, total Receipts of \$218,834.43 and Expenditures of \$134,953.70, leaving a balance carried forward of \$83,880.73 after all grants and expenses have been paid, and to this amount may be added the sum of \$3,780.45 expended in the maintenance of Knox College, and which amount will be refunded on receipt of the Income from Endowments due us under the Ontario Church Union Act.

The expenditures to January 31st, 1926, were less than estimated in our Budget, owing to the fact that the General Board of Missions have not been able to arrange with the Board of the United Church to take over more of the work formerly carried on by the Presbyterian Church in Canada, until such time as the Federal Commission have decided as to which fields shall be assigned to our Church.

In the Budget for 1925 was included the sum of \$30,000.00 for the Aged and Infirm Ministers Fund, and the Widows' and Orphans Fund, against which there have been no payments.

The Board have therefore placed to the credit of these Funds in reserve the sum of \$13,000.00 each, being the proportion which the total receipts bear to the estimated Budget of \$250,000.00.

The Board, as soon as possible after June 10th last, secured the necessary office accommodation in the Harland Smith Building, southwest corner of Bay and Adelaide Streets, Toronto, where a staff necessary to carry on the work of administration has been operating.

The Board appointed as its secretary the Rev. J. W. MacNamara, whose knowledge of the Church has been of great assistance to the Board and in addition to his duties as Secretary, he has also carried on the duties of Clerk of Assembly.

The Board also appointed as treasurer of the Church, Mr. E. W. McNeill, of the Chartered Trust and Executor Company of Toronto, a man of much valued experience and eminently fitted to fill such an office, and which appointment has proved very satisfactory to your Board.

Your Board have made very favourable banking arrangements with the Bank of Nova Scotia, where all funds are held in trust by the following trustees: Messrs. C. S. McDonald, G. Tower Fergusson, James A. Milne, and Thomas McMillan, and subject to withdrawal by cheque signed by the Treasurer, Mr. E. W. McNeill, and countersigned by any two of the above named trustees.

All requisitions for payment are made on the treasurer, as authorized by the Board of Administration.

The following statement sets forth the amounts contributed by the Synods and Presbyteries: to the 31st of January 1926, followed by a statement setting forth the amounts received from the congregations in these several Synods and Presbyteries.

This Budget was sent down to the several Synods, adopted by them, and sent forward to the Presbyteries, where it has been allocated to the several congregations within the bounds, with the request that in EVERY Congregation there be an annual EVERY PERSON canvass and an earnest effort to raise or exceed the amount allocated.

With the spirit prevailing throughout the Church at the present moment, your Board feel quite confident that the Church will respond liberally to this appeal and provide the funds necessary to carry on the work of the Church, without it being necessary to borrow from the Banks.

It is the desire of your Board to raise annually sufficient revenue to maintain all the work that ought to be done, and that there shall be no deficits accumulating to hamper and hinder the carrying on of the great work for which we are responsible both at Home and abroad.

The attention of the Board has been drawn to the fact that some Presbyteries have asked Congregations to forward Budget funds to local Treasurers.

This is a direct violation of the rules. The Church has only one authorized Treasurer:—Mr. E. W. McNeill, Room 123, Harland Smith Building, corner of Bay and Adelaide Streets, Toronto, where all funds contributed to the Budget should be sent DIRECT by congregations, and for any Presbytery to receive Budget funds and to divert any portion thereof to other or local purposes, will lead to very serious complications throughout the Church as a whole, and your Board in its recommendations, submitted herewith, would ask the General Assembly to direct that all funds contributed for Budget purposes, be sent direct to the Treasurer at Toronto.

The Board have also endeavored to have Congregations forward their Budget funds to the Treasurer monthly, and we appreciate the response already made to this request. This practice will prevent the necessity of borrowing funds to carry on the work for a large portion of the year, at heavy interest charges, and we trust that the congregations will co-operate with us by doing so.

The question of raising a fund for the purpose of assisting congregations and minority groups in erecting the necessary buildings and equipment, has been under serious consideration, and is of very serious moment in our present situation, as all our interest in the Church and Manse Board is tied up in the hands of the United Church until disposed of by the Federal Commission.

The Board, however, in view of the very unsatisfactory conditions which have prevailed throughout the Dominion for some time past, have found it very difficult to raise such a fund during the past few months, but have now under consideration a plan which, with the apparent improvement in trade, will result in such a fund as is necessary to meet the immediate needs being available in the near future, but your Board would state that it would appear impossible to make from such a fund some large loans as have been suggested by some congregations, but such as would meet the needs of the most needy cases throughout the Dominion.

We must, therefore, ask those requiring such help to have patience until the work of reconstruction and organization has been completed.

The Board beg to submit the following recommendations:—

1. That the General Assembly approve of the Budget as submitted, and direct all congregations to forward *direct* to the Church Treasurer at Toronto *all* contributions to the Budget of the Church without any deduction whatsoever.
2. That all congregations, wherever possible, forward their Budget contributions to the Treasurer *monthly*.
3. That the Assembly request all congregations to make an every person canvass for both maintenance and the Budget annually, before the 15th of December.
4. That the General Assembly hereby approve and recommend to all the congregations of the Church the appointment of Missionary Committees or Budget Committees representative of the whole congregation, who shall make the question of the Budget their special responsibility.
5. That wherever possible congregations have a special service at which the work of the Church shall be placed before them, and the Budget requirements.

6. That the General Assembly direct all the Boards of the Church to submit their estimates for the work of their several departments at least ten days prior to the meeting of the Board of Administration for the preparation of the Budget, and that the Boards be directed to incur no further obligations beyond those approved for the previous year, until such time as the Board of Administration have approved of the same.

7. The Board recommend the appointment of Henry Barber, Mapp & Mapp, Chartered Accountants, as Auditors of the Church accounts.

STATISTICAL AND FINANCIAL REPORT

To the Venerable the General Assembly:

In presenting the Statistical and Financial Returns for 1925, attention should be called to the very difficult conditions existing in the Church during last year.

After June 10th considerable reorganization was necessary in very many of our congregations. A large number of new congregations were organized from Minority Groups. Presbyteries found it necessary to survey their territory and to rearrange the congregations and preaching stations within the bounds.

In the majority of our Presbyteries new clerks and committees were appointed. It is a matter of thanksgiving and rejoicing that the work of reorganization was carried out so quickly and so efficiently. This situation, however, made the work of securing accurate and complete statistics much more difficult than under normal conditions, and caused very considerable delay in obtaining statistical and financial reports from Presbyteries. The Report presented, while of necessity incomplete in some cases, especially with reference to the Mission Fields of our Church will be accepted as most satisfactory and encouraging when all the circumstances are considered.

The vote by Ballot on the question of Church Union which closed on June 10th, 1925, showed the following result:—

Total Ballot Vote recorded in favor of entering the United Church of Canada.....	113,773
Total Ballot Vote recorded against entering the United Church of Canada.....	114,367
Total recorded membership of the congregations that voted not to enter the United Church of Canada.....	147,192

Every effort was made by those leading the Church Union forces in all Churches to call out after the vote those who voted for or were in favor of Church Union and to wreck the various organizations, leaving the Presbyterian congregations weakened and crippled, and great satisfaction was expressed by these leaders at the measure of success which they claimed attended their efforts in this direction.

We are now able to give definite information as to the strength of our Church.

It will be seen that the Total Membership reported is 154,243. When the Vote on Church Union was taken it was found that the reported membership was considerably above the actual membership. A deduction of from 15 to 20 per cent from the figures reported for 1924 would probably give a more accurate figure for the membership at that time. In many cases it was found membership rolls had not been revised for years and were quite unreliable. Our present actual membership therefore bears a much higher proportion to the actual total membership than it is made to appear when contrasted with the paper membership reported for 1924. It is impossible in the present report on account of the unsettled conditions that existed to give a detailed analysis of the givings of the Church for stipend, Budget, and for all purposes, per family and per communicant, as was formerly done.

OBITUARY NOTICES

Synod of Montreal and Ottawa

REV. D. H. HODGES, B.A.

The Rev. D. H. Hodges, B.A., was born on May 25th, 1857, in the County of Antrim, Ireland. He took his College Course in Arts at Londonderry College, Ireland, where he graduated with the degree of Bachelor of Arts.

In the year 1881 he left Ireland and came to Canada.

His Theological course was taken in the Presbyterian College, Montreal. In 1886 he finished his Theological Course, went out West and laboured as a missionary for about six months at Whitewood, Saskatchewan. While here he received a call to Oak Lake, Manitoba, which he accepted and was settled there in January, 1887. This year he married Miss Jane McLeese of Ross Township, Ontario.

During his pastorate at Oak Lake a Manse was built, also a church seven miles north of Oak Lake was built and called St. David's after him. He remained in this charge over nine years, and then came East to Ontario, and settled in Ancaster, Ontario. He had charge of this field for over six years. While on this field he received a call to Admaston, Ontario, which he accepted. During his pastorate at Admaston a new manse was built. Resigning this charge in Admaston in 1921, from there he was called to Blakeney, Ontario, and after three years he resigned.

He removed to Ross and was engaged in supply work until called to Chesterville, Ontario. Arrangement had been made for his induction into this charge on December 1st, 1925, but owing to severe illness the induction service was postponed.

After an illness of about a month he passed away on Sabbath, December 27th, 1925, at Victoria Hospital, Renfrew, Ontario.

In his death the Presbyterian Church in Canada has lost one of her loyal and faithful ministers.

He rests from his labours and his works do follow him. He leaves a widow, many relatives and former parishioners to mourn their loss.

REV. R. J. M. GLASSFORD

The Church has suffered a severe loss in the death of Rev. R. J. M. Glassford, of Renfrew.

Mr. Glassford was attending the meeting of the Board of Missions in Toronto, apparently in his usual state of health, when he was suddenly stricken in front of the City Hall on March 19th, 1926. He died in a few hours.

He was one of the strongest leaders of the Church and has done heroic work in Eastern Ontario for the preservation and re-construction of the Presbyterian Church in Canada. At the time of his death he was Clerk of the Synod of Montreal and Ottawa.

The late Mr. Glassford was born near Woodbridge, in Vaughan Township, and was a son of Rev. Peter Glassford, a Scottish Presbyterian who preached in the pioneer settlements of those days. Mr. Glassford attended school in Weston, and upon finishing high school taught in the district for a few years. He then proceeded to Knox College, Toronto, where he was a classmate of the late Dr. J. A. Macdonald, former Editor of the Globe.

Following his ordination in 1887, Rev. Mr. Glassford was called to Waubashene, thence to Streetsville, and afterward to Chalmers Presbyterian Church at Guelph, where he remained as Pastor for 17 years. From Chalmers, Guelph, he came, as religious director to Knox Church, Toronto, remaining there for three years. From Knox he was called to Winchester, then to Renfrew, where he had been for the past six months.

After six months under his Ministry a new Church was erected and almost ready for opening; in fact was dedicated for public worship but a few weeks after the death of Mr. Glassford.

Rev. Mr. Glassford was an active anti-unionist, being organizer against the Union movement for the Montreal Synod. Several years ago he was Field Secretary for the Ontario Sunday School Association, travelling the breadth of the province in that capacity. He was a good preacher, but, in the opinion of his associates, excelled as a teacher and interpreter of the Scriptures.

He is survived by his widow, who was formerly Miss Agnes Cranston, of Caledon East; one sister, Mrs. H. J. Gray, and a brother, Howard Glassford, of Buffalo.

The funeral was under the auspices of the Board of Missions and was held on Monday, March 22nd, from Knox Church, Toronto, to Mount Pleasant Cemetery, a similar service being held by his congregation in Renfrew at the same hour.

REV. ROBERT THYNNE

Rev. Robert Thynne passed away on May 10th, 1926, at his home in Palmerston, Ontario, at the ripe age of 86. Mr. Thynne entered upon his ministry in 1873 at English Settlement, one of the large Presbyterian Congregations of that day. Two and a half years later he was called to Kirkwall, Hamilton Presbytery, then also a stronghold of Presbyterianism. Here he endeared himself to all, holding crowded services from time to time at Rockton, Sheffield, Valens, Clyde, and in many farm homes. He was called after six years to Port Dover, and then to Markham, where he remained ten years. He accepted a call to Souris, Manitoba, but, his health troubling him, he returned to Underwood, Ontario. He retired in 1919, going to Palmerston to reside, and attended Knox Presbyterian Church. His sister, Miss Thynne, who was his life-long co-worker survives.

REV. C. STANFIELD LORD, B.A., B.D.

The Reverend C. S. Lord was born at Tryon, Prince Edward Island, on August 26th, 1858. His preparatory education was received at Prince of Wales College, Charlottetown. He took his Arts course at Dalhousie University, Halifax, and his Theology at Pine Hill, from which he received his B.D. degree. His first pastoral charge was at Merigomish, Nova Scotia. Then he went to Hamilton, Bermuda. Following his work there he came to Ontario, and for nineteen fruitful years gave efficient and acceptable service at Grafton and Vernonville. In 1907 he was called to Fenelon Falls where he ministered for twelve years. Failing health compelled him to offer his resignation which was regretfully accepted.

Mrs. Lord was a daughter of the Reverend Alex. Maclean, D.D., of Hopewell, Pictou County, and with four sons,—Alex, school inspector, Vancouver, James of the Dominion Bank, Edmonton, Arthur, of the Bank of Toronto, St. Mary's, Vernon, B.Sc. of British Columbia,—survive him. The youngest son, Lieut. Maclean Lord was killed during the war in an aeroplane collision.

As a pastor he was much beloved. As a Presbyter he was faithful in his attendance at Church Courts, and cheerfully took and faithfully performed every task assigned to him. His preaching was vivid and original. As a man and companion his unique gift of humor, and the grace of his Christian character, made him a brother beloved. The summons came on June 19, 1925, and he was laid to rest in the Fenelon Falls cemetery, among the people who loved him, and whom he loved.

REV. JOHN GRAY, D.D.

Rev. John Gray, D.D., was born in Scarborough, Ontario, on February 6th, 1844. He attended Toronto Grammar School and Knox College, graduating from the latter in 1870. In the same year he was ordained and inducted into the pastorate of St. Andrew's Church, Windsor, Ontario. In 1871 he attended his first General Assembly, the historic

one held in Quebec. For many years he was an active member of the Foreign Mission Board.

In 1893 he became pastor of the First Presbyterian Church, Kalamazoo, Michigan, resigning in 1900 to become President of the Michigan Seminary in the same city.

In 1907 he returned to Canada as financial agent for the new Knox College. That was his last actual labour, although during the war he did his bit in supplying pulpits made vacant by younger men responding to the colours. He was on two occasions in Smith's Falls in this capacity.

After an illness of four weeks he passed away November 15th, 1925, at his residence, 15 Farnham Avenue, Toronto.

REV. DANIEL M. GORDON, D.D.

In connection with the death of the late Rev. Daniel M. Gordon, D.D., ex-Principal of Queen's University, the following resolution was adopted by the Synod of Toronto and Kingston at its meeting held in Knox Church, Toronto, on the 7th day of October, 1925.

The Synod desires to record its high appreciation of the life and work of the late Rev. Daniel M. Gordon, D.D., Principal Emeritus of Queen's University, who was suddenly called to his reward in August of this year. Dr. Gordon was a distinguished graduate of the University of Glasgow. After long and successful pastorates in Halifax, Winnipeg and Ottawa, during which he became known as a gifted preacher and wise administrator, he was called to the Principalship of Queen's University. This position he held for over a decade with great credit to himself, and singular advantage to the cause of education in Canada. He was deeply attached to the Presbyterian Church. As a member of Presbytery and Assembly he served on many important committees, and was finally honored in being elected to the highest position in the power of the Church. The passing of Dr. Gordon is mourned not only by his students whom he loved so well, but by a great host of friends throughout Canada.

Synod of Alberta

REV. ARTHUR WELLESLEY RICHARD WHITEMAN, B.A., B.D.

Rev. Arthur Wellesley Richard Whiteman, B.A., B.D., was born at Teeswater, Ontario, on October 7th, 1864, of Irish parentage. He received his public and High School training at Teeswater and St. Catharines. He was an honour graduate in classics, and theology of Queen's University, Kingston. He also took post graduate courses in Belfast, Ireland, and Edinburgh, Scotland. His first pastoral charge was Port Perry, Ontario, where he served the church with acceptance and success for between seven and eight years. He afterward did supply work in the City of Toronto, for about four years. In 1904 he came West and spent two and one half years in Duncan, Vancouver Island, B.C. Leaving there he spent five and one half years in Cardston, and two years in Cochrane. He then took work as financial agent for Robertson College, Edmonton, and for a number of years afterward was financial secretary in Knox Church, Calgary. When the disruption of the church was in process he was invited to the Minority Group now St. Andrew's, Lethbridge. Here his labors were arduous, but highly successful. At the first meeting of Presbytery, after the Assembly of 1925, he was appointed Moderator of both St. Andrew's, Lethbridge, and St. Andrew's, Macleod. The congregation of Macleod called him and he was settled there on the 18th of September. So abundant were his labors that the strain proved too great and he fell asleep on the 11th of April, 1926, beloved by his people, and highly esteemed by the entire community.

While in the City of Calgary he took a very active interest in the work among the Chinese. At the time of his death he was clerk of this Presbytery.

Though his pastorate at Macleod was short, it was remarkable in fruitage. He was a splendid organizer, and a thoroughly evangelical preacher.

His wife and daughter, Dorothy, survive him.
